WHITE YOUTH CORPS

W.Y.C. Release No. 1

October 27, 1961

F.A.N. meeting

The White Youth Corps stands ever as a guard for The White Race. This Nation was founded by White People for White People and if we are to be worthy of our heritage we must stand UNITED against every effort to mongrelize our people.

The White Youth Corps believes in The Constitution AS IT IS WRITTEN For those who wish to benefit by it not for those who wish to DESTROY it.

The White Youth Corps believes that we must EXPOSE, FIGHT and OUTLAW Communism.

The White Youth Corps believes that everyone should be entitled to have property of their own without interference from the Government and that Free Enterprise is essential to American Heritage.

The White Youth Corps believes in Morality and Decency among the Youth and around places in which they gather.

The White Youth Corps believes that we should place MEN in our Government, NOT spineless traitors whom set bad examples for our Youth.

The White Youth Corps believes in lawful Segregation of the White and Black Youth of our Nation to the most complete and beneficial extent possible.

The White Youth Corps demands a Thorough investigation of ALL student groups shown to have Communist or pro-Communist leanings and prosecution of all leaders of such groups.

The White Youth Corps believes that we can not 'co-exist' with a dedicated enemy and that Communism should be fought wherever it appears, whether it be in the streets or in the classroom IT MUST BE STOPPED. It must not be allowed to EXIST AT ALL!

The White Youth Corps believes in Physical fitness as a must to maintain a good stock of American Youth ready to defend their Nations enemies.

The White Youth Corps believes the Great White Race has a RIGHT and REASON to live. Our Race has exclusive rights to this Continent. God created the Great White Race and blessed it with more intelligence and virtues than any other race and the White Youth Corps does not intend to let anything destroy it. We refuse to allow our precious White Youth to be sacrificed upon the altar of Race-Mixing.

The White Youth Corps demands that the Government STOP the illegal tide of Immigration and Bar and DEPORT known pro-Communist from positions where they may fan the flames of Revolution--the press, the radio, MOVIE PRODUCTION STUDIOS, above all, labor unions. Doubtless a law outlawing Communism would cover this requirement.

Mr. [REDACTED]
National White Americans Party
Atlanta 1, Georgia

Dear Mr. [REDACTED]

Because of increased duty and unexpected trouble, I can find only a few minutes to write this. This Friday I face going to Jail indefinitely unless I can prove that we are innocent of charges against us.

Thursday evening March 22, we held another White Youth Corps Picket demonstration. We held this in front of the State and Lake Theater downtown, to protest the showing of a movie called "Sergents 3". Sammy Davis Jr. appears in this movie along with the rest of the RAT PACK.

Our picket began as any normal demonstration would. We distributed literature to many friendly people and were even cheered by some. As the crowd began to grow to some 300 to 400 people, the police moved in and arrested everyone on the picketline, and a plant we had in the crowd. We were hauled off to jail and put under a \$200.00 Bond each. Luckily we were able to contact a supporter who got us out. We all appeared in court the following morning and asked for a continuance which we got. The charges against us (city AND state) are "Disorderly Conduct" and "Intent to defame the character of another". This means calling Sammy Davis Jew nior a "KOSHER COON", which we did on our signs is defamation!!

This whole operation was a frame up, I am sure. A few hours before the picket I personally checked with the police about the wording of our signs and was assured that there was no violations. We Picketed and distributed literature in a peaceful manner. We even chose the day of the final showing of this movie so the theater would not loose too much buisness. I went 'out of my way' to insure the safty of my fellow picketers.

We picketed about 20 minutes but got no photographs of this event. One man forgot the flash attachment for his camera another came too late to take any pictures. But as you would expect a big, fat greezey nozed Hebrew was on hand to snap close mug shots for the A.D.L.'s mug file of "outright ANTISEMITES!!!!!!". This same Kike took photographs at the station. I expect these to appear in the next 'exciting' issue of the A.D.L.'s Bulletin.

The newspaper and radio lied about us terribly. Here is a sample of what I heard on one radio station "Last night a handful of punk nazis wearing swastika armbands and kaki uniforms paraded and handed out hate literature in front of the state and lake theater. A group of about 500 angry people jereed and cursed the nazi hoodlums. When the nazis began to aggitate the crowd further the police arrested the picketing troublemakers.". And so this went on, station after station with the same lies.

We were all dressed alike on this picket but had on no kaki uniforms. We wore armbands with the odelrune on them (X) but had no swastikas on our arms. We were the White Youth Corps as our signs were clearly headed not the American Nazi Party, as the newspapers had said. I was really shocked beyond belief at this outright supression of truth. The REAL story never got to the people, else we might recieve popular support.

The Birch Sociey never pickets or demonstrates openly as we do. They rarely if ever get arrested for their activities. Yet they get a fair shake in the press although we don't. They are given what they have. We must FIGHT for what we MIGHT have.

Unless they considered this youth movement a 'threat' to their liberal minded thinking and teaching, they would not have gone to such extremes in lieing about us. I have decided that THIS Youth Corps should be THE Youth Corps and they don't like it. They realize that with the tacktics we use we cannot help but gain some support of the Youth now and all of it later. They know they cannot point at us with the same finger that is always shaken at the teenage gangsters which ARE a threat to our nation. They use these 'bad examples' as a further justification for further promotion of race-mixing and brotherhood. They know that we know what they are up to. Consequently we have jumped over all these other challengers and found ourselves in the ring with the champion. But he is soft and old we are young and new. He may use many tricks to try and defeat us and may hurt us, but in the end we will win.

I still can see the shock on the peoples' faces in that crowd when we were ordered "off the street" and brutally thrown into the paddy-wagon. But we shall Return!

I will write you again as soon as this court trouble is over.

THE WHITE RACE FOREVER !!!

Dear Mr. [REDACTED]

I am sorry to hear that the police force in Chicago is as suppressive as the one which we have in Atlanta. We know, however, from whom they take their orders. The Jews fear any group which asserts its beliefs directly to the public, street demonstrations are especially offensive to the Jewish Communist because they know that the real potential for political power lies in the control of the streets. It has been said that, **WHOEVER CONTROLS THE STREETS, CONTROLS THE HEARTS AND MINDS OF THE MASSES!** I trust that this incident will not dismay you, as it would have happened sooner or later, however if you defeat this effort to suppress your rights, then you will be less likely to be molested in the future.

In case you do not have a lawyer, I suggest you contact Mr. Oscar Wyclif Harman Attorney and Counselor, One LA ~~\$\$\$~~ SALLE STREET Chicago 2, Ill. We do not know Mr. Harman, but he has written to us seems to be on our side. **THIS IS IMPORTANT, DO NOT PLEAD GUILTY!** Even if your lawyer or whoever, says that you can get off with a 50¢ fine. You are **INNOCENT** and pleading guilty is the worse thing that you can do. If you plead guilty the police will arrest you every time you get on the street. If you are found guilty, then you can get out ~~with~~ with an appeal bond which should be no more than the one you have now. You can only appeal if you have pleaded Innocent. I speak to you, (or rather write to you from experience), as I have been arrested on the same charges almost. Your case is also similar to that case of Rev. [REDACTED] of Atlanta who was arrested in Athens, Ga. For picketing, he appealed and won his case. Now he intends to sue the policemen and the City of Athens for violating his rights. You may also enter suit, and should as soon as you get a favorable decision. I am enclosing a copy of the U.S. Law which was violated by the policemen when they arrested you.

b6
b7C

As for the papers calling you Nazis, well they call every freedom loving person who is not will to accept Jewish Communism Nazis. They call us The National White Americans "Nazi" Party. Few People believe them. You can use this incident to your advantage if you will. Do not get discouraged the White Race ~~will~~ will rally in the near future and will pack the cells with the people who now call us Nazis. Give ~~all~~ all of your men my personal regards, as I know exactly how they feel, having ~~been~~ been in the same position myself. Please let me hear from you soon.

Sincerely yours,

[REDACTED]

KURZBERICHTE ZUM ZEITGESCHEHEN

Z

Nummer 63/7

9. Juni 1963

DEUTSCHLAND

JUNGEUROPAISCHE ARBEITSTAGUNG 1963

(KBZ) Zu Pfingsten fand in Ratzeburg an der schleswig-holsteinischen Zonengrenze die 6. Arbeitstagung des "Jungeuropäischen Arbeitskreises" statt. Das Thema lautete "Lebensfragen der Ostseevölker - Sowjetkolonialismus oder Selbstbestimmungsrecht" und schloß sich an den Leitgedanken der letztjährigen Tagung in Passau "Lebensfragen der Donauvölker" an. Mehr als alle der für sich schon sehr wertvollen Referate und Diskussionsbeiträge verdeutlichte der vom "Volksbund für Frieden und Freiheit" zur Verfügung gestellte Film "Mein Lettland", was in jenen Ländern geschieht, die unter die Herrschaft des Bolschewismus gefallen sind.

Bei Beginn der Tagung wurde der schwedische Schriftsteller Dr. Rütger Essén von der Polizei festgenommen und als unerwünschter Ausländer abgeschoben. Dr. Essén war jahrelang im schwedischen Konsulardienst tätig und hat sich nach dem 1. Weltkrieg große Verdienste um die Betreuung der deutschen und österreichischen Gefangenen in Sibirien erworben. Er ist Träger des Goldenen Ehrenzeichens des Deutschen Roten Kreuzes. Die Gründe für die Ausweisung sind nicht bekannt.

TAGUNG DER GESELLSCHAFT FÜR FREIE PUBLIZISTIK

(KBZ) Am 18. und 19. Mai fand in Neckargemünd die diesjährige Hauptversammlung der Gesellschaft für Freie Publizistik statt.

Zu Beginn der Tagung gedachten die Anwesenden des verstorbenen Vorsitzenden der Gesellschaft, des Rothenburger Verlegers Schneider. Entgegen ursprünglichen Erwartungen konnte diesmal der amerikanische Professor Dr. David Hoggan nicht erscheinen. Er arbeitet z. Zt. auf Veranlassung einflußreicher Kreise in den USA an einer umfassenden Arbeit über das amerikanische Erziehungssystem und wird in diesem Zusammenhang Vorschläge zu einer Reform dieses Systems unterbreiten. In einem sehr herzlich gehaltenen Schreiben an die Gesellschaft sagte er fest zu, bei der nächsten Hauptversammlung am 14. 5. 64. zu kommen. Die Gesellschaft für Freie Publizistik wird ihm dann als erstem den vom Vorstand gestifteten Ulrich-von-Hutten-Preis überreichen, der mit 5.000 Mark dotiert ist und alle 5 Jahre verliehen werden soll.

Bei den anschließenden Wahlen wurde der bekannte Neckargemünder Verleger Vohwinkel mit der Leitung der Gesellschaft betraut. 2. Vorsitzender wurde Rechtsanwalt Klaus Petri, Lippstadt und Geschäftsführer, wie bisher, Werner Häsler aus Neustadt/Weinstraße.

Bei einer gut besuchten öffentlichen Versammlung am Sonntagmorgen in

Unabhängiger, überparteilicher Pressedienst. -- Herausgeber, Hersteller und für den Inhalt verantwortlich: Rolf Chevalier, 516 Düren, Postfach 699. -- Abdruck gegen Überlassung von zwei Belegexemplaren gestattet. -- Die Wiedergabe der Nachrichten erfolgt in jedem Falle ohne Wertung der darin genannten Organisationen oder Personen.

Heidelberg sprach u.a. der englische Jurist und Historiker Dr. F. J. P. Veale.
Die nächste Hauptversammlung wird in Neustadt an der Weinstraße stattfinden.

PFINGSTLAGER DER NATIONALEN JUGEND

(KBZ) Das traditionelle Pfingsttreffen der Nationalen Jugend fand in diesem Jahr vom 1.-3.6. in Siegburg statt. Wiederum trafen sich Mitglieder der verschiedensten nationalen Jugendbünde aus Westdeutschland, Berlin, Österreich und Flandern. Die etwas geringere Beteiligung gegenüber dem Vorjahr war offensichtlich darauf zurückzuführen, daß eine ganze Anzahl norddeutscher Gruppen zum Jungeuropäischen Arbeitskreis nach Ratzeburg fuhr. Bei den alljährlich auf den Pfingsttreffen stattfindenden Sportwettkämpfen erkämpfte diesmal in der Mannschaftswertung eine von Rüdiger Schütte geführte Auswahlmannschaft des Bundes Heimattreuer Jugend den vom Freundeskreis gestifteten Preis, einen Hordentopf, während in der Einzelwertung Gerd Gabriel aus Österreich in allen Disziplinen des Sieg davontrug und den Buchpreis der Wiking-Jugend errang. Der Freundeskreis der Nationalen Jugend überreichte den Schatzmeistern der Wiking-Jugend und des Bundes Heimattreuer Jugend e.V. einen Förderungsbetrag als Prämie für die von diesen Bünden seit dem letzten Pfingsttreffen geleistete Arbeit. Das Pfingsttreffen war insbesondere auch wegen des ausgezeichnet gelungenen Deutschen Abends, zu dem auch Gäste der älteren Generation geladen waren, für alle Beteiligten ein Ereignis von bleibendem Wert. Besonders zeigten sich die Gäste von der herzlichen Kameradschaft zwischen den Angehörigen der verschiedenen Bünde angetan.

Die organisatorische Durchführung des Lagers lag in diesem Jahr in den Händen der Wiking-Jugend und soll im nächsten Jahr beim BHJ e.V. liegen.

FREUNDESKREIS DER NATIONALEN JUGEND ZAHLT ZUSCHÜSSE BEIM BÜCHERKAUF

(KBZ) Der Freundeskreis der Nationalen Jugend zahlt aktiven Mitgliedern von förderungswürdigen nationalen Jugendbünden beim Kauf von nationaler und völkischer Literatur einen Zuschuß von 25-35% des Kaufpreises. Anträge auf derartige Zuschüsse sind vor Buchkauf an den Freundeskreis der Nationalen Jugend, 3 Hannover-Hainholz, Moorkamp 44 b. Jahn, zu richten.

ZEITUNG DER DEUTSCHEN FREIHEITSJUGEND

(KBZ) Die mit der Deutschen Freiheits-Partei verbundene Deutsche Freiheits-Jugend gibt seit April dieses Jahres eine Zeitung "Argumente der jungen Generation" heraus. Das Blatt erscheint monatlich, ist gedruckt und 12 Seiten stark. Die Anschrift der Zeitschrift lautet: Argu-Verlag, 42 Oberhausen, Postfach 630

BUND HEIMATTREUER JUGEND IN NORDDEUTSCHLAND

(KBZ) Seit einiger Zeit geht der Bund Heimattreuer Jugend verstärkt daran, seine Positionen in Norddeutschland auszubauen. Besonders der Standort Braunschweig (Rüdiger Schütte, 33 Braunschweig, Am Wendenwehr 7) trat in letzter Zeit durch viele Veranstaltungen an die Öffentlichkeit und konnte dadurch viele neue Mitglieder und Interessenten gewinnen. Er arbeitet u.a. mit dem Deutschen Kulturwerk Europäischen Geistes, mit dem Bund der Fallschirmjäger und anderen Soldatenverbänden zusammen. Am 3. Mai sprach auf einer Veranstaltung des BHJ in Braunschweig Dr. Lutz, Hannover, früher Reval, über das Thema "Oder-Neiße Linie - Niemals Grenze".

NEUES FLUGBLATT DER AKON

(KBZ) Als Antwort auf die Fernsehsendung "Polen in Breslau" gab die "Aktion Oder-Neiße" ein vierseitiges Flugblatt heraus, in dem kurz und

klar die Berechtigung des deutschen Standpunkts herausgestellt und auf die chauvinistischen Bestrebungen bestimmter polnischer Kreise vor dem 2. Weltkrieg hingewiesen wird. Die Flugblätter sind zu beziehen bei : J. Drischel, 6702 Pfungstadt, Frankensteiner Str. 7.

ENTSCHLIESSUNG DER DRP ZUR VERTRIEBENENPOLITIK

(KBZ) Auf dem Landesparteitag der Deutschen Reichs-Partei von Nordrhein-Westfalen nahm die Landesvertretung eine EntschlieÙung zur Vertriebenenpolitik an, in der es u.a. heiÙt:

"Der Anspruch auf Rückgabe der deutschen Ostgebiete jenseits der Oder-NeiÙe-Linie ist ein Anspruch des deutschen Volkes, also auch der kommenden Generationen und nicht nur ein Anspruch von heute noch lebenden Vertriebungsoptionern. Demgegenüber ist es das Bestreben weiter Kreise, die der derzeitigen amerikanischen Politik gefällig sein wollen, ihre jahrelangen Verzichtserklärungen nunmehr scheindemokratisch zu unterbauen. ... Das sind Machenschaften, die von jedem deutschen Patrioten entschieden zurückgewiesen werden müssen. ... Es ist erschreckend, daÙ selbst Personen, die maßgebende Posten im Kuratorium "Unteilbares Deutschland" und in der Vertriebenenbewegung inne haben, die Bestrebungen, ein wahres Bild von den Kriegsursachen zu entwerfen und die Nürnberger Lügen zu entkräften, sabotieren. Wir verlangen die Abwahl dieser Personen aus diesen Funktionen! ... Heute sind diese Bewegungen entpolitisiert und auf den Stand von konformistischen, wohlgeleiteten Honoratiorenklubs zurückgebracht, die die von Idealisten aufgetragenen Mittel dazu benutzen, um der amerikahörigen, offiziellen Politik gefällig zu sein..."

LSD FÜR ODER-NEIÙE-LINIE

KBZ) Die Delegiertenversammlung des Liberalen Studentenbundes Deutschlands (LSD), die vom 23.-27.3. in Konstanz tagte, sprach sich für die Oder-NeiÙe-Linie als endgültige Grenze zwischen einem wiedervereinigten Deutschland und Polen aus. In der Liberalen Studenten-Zeitung vom Mai 1963 wird dieser Beschluss in einem Artikel kommentiert.

Es wird dort zunächst klargestellt, daÙ die erste bewußte Austreibung im deutsch-polnischen Grenzgebiet nach 1918 stattgefunden habe, als über eine halbe Million Deutsche aus den polnisch gewordenen Gebieten des Reiches vertrieben wurden. Pommern, Ostpreußen, Danzig und Schlesien seien Gebiete mit fast ausschließlich deutscher Bevölkerung gewesen. "Die Vertreibung der Deutschen aus den Gebieten jenseits von Oder und NeiÙe war das nach AusmaÙ und Durchführung grauenhafteste dieser Verbrechen (der Austreibungen, d. Red.)." Ein Anspruch auf jene Gebiete aus dem "Polen der Könige" sei nicht stichhaltig, sagt die LSZ. "Man kann auch nicht argumentieren, daÙ diese Gebiete jetzt polnisch bleiben müssen, weil schon wieder Polen dort geboren sind, weil das die Frage nahelegen würde, wie lange ein Verbrechen bestehen muß, damit es Recht wird". Nach diesen und anderen recht nützlichen Erkenntnissen führt die LSZ den unvermeidlichen dialektischen Bocksprung vor: "Es wird deutlich, daÙ zur Lösung der deutsch-polnischen Grenzfrage Rechtsgesichtspunkte nicht fruchtbar gemacht werden können (!! , KBZ). Es ist nicht möglich, hier die Lösung zu finden, die gerecht wäre. Eine Lösung fordern aber die Lebenden. Wir müssen eine Lösung des Vergehens und des Verzichts finden (!!! , KBZ). Gerade wir Deutschen haben Grund, solche Lösungen anzustreben".

BAUERN GEGEN KOMMUNISMUS UND KAPITALISMUS

(KBZ) Am 18. Mai fand im "Hübschen Baum" zu Itzehoe eine Protestkundgebung schleswig-holsteinischer Bauern gegen die Auswirkungen der EWG und die soziale Deklassierung der Bauern statt. Manche Zeitungen glaubten schon, die revolutionäre Landvolkbewegung von 1929 erstehe wieder. Das Großaufgebot an Presseleuten kam jedoch kaum auf seine Kosten, denn es wurden weder schwarze Fahnen gehißt noch Plastikbomben ausgegeben. Die Versammlung distanzierte sich von dem Einberußer, dem ehemaligen KPD-Kandidaten Holländer, und nahm eine EntschlieÙung an, in der zur Bil-

dung einer europäischen Landvolkbewegung aufgerufen wurde, die die Interessen der europäischen Bauern gegenüber den USA vertreten soll. Es wurde ein Komitee gewählt, dem die Bauern Wilhelm Hönck aus Oldenswort/Krs. Eiderstedt, Harro Horn (DRP) aus Tating/Krs. Eiderstedt und Peter Petersen (GDP) aus Arenholz/Krs. Schleswig angehören. Die Gewählten betonten, es sei nicht an eine Spaltung des Bauernverbandes gedacht.

NATIONALES KOORDINATIONSKOMITEE FÜR EUROPA

(KBZ) Seit einiger Zeit verschickt ein "Nationales Koordinationskomitee für Europa" (Reykjavik, Box 259) von Island aus Schriften in deutscher Sprache. Nachdem vor einigen Monaten ein Heft "Untergang des Abendlandes" erschien, wurde jetzt eine neue Schrift "Über die Uneinigkeit im Nationalen Lager" versandt.

U.S.A.

ABSTAMMUNG

(KBZ) Der "American Citizen", eine Nordkalifornische Zeitung, berichtete am 5.6.37. über ein Sommerlager "for the training of children in the theories and tactics of Communism". Im Vorbereitungsausschuß saßen der Kommunist Harry Bridges und Frau Jehanne B. Salinger, die Mutter des heutigen Pressechefs der US-Regierung, Pierre Salinger. Der deutsche Leser wird es mit Genugtuung zur Kenntnis nehmen, daß in den USA die Kinder nicht für die Sünden der Eltern zifbar gemacht werden.

We received your letter safely, or should I say your empty envelope.

You are doing a fine job in Uniontown. Have you heard from [redacted]
I received a post card from him. He was in New York City. Please tell him
to contact me. Do you know where he can receive mail,

By now I suppose you are very depressed. I cannot blame you. You wonder
what is going on out here. Sometimes [redacted] can be unsavory in a
letter. I told him explicitly not to go off half cocked as he has in
the past. He is a good leader and is very dedicated, which I wish I could
say the same for [redacted] If you receive any mail from [redacted]
with any instructions, please let me know about it.

About the Eagle & Swastika stamps. They do not have to be turned in.
You may keep them. For the meantime use them only on private letters.
We are the official Youth section of the A.N.P.

I have packages of literature ready to be mailed to the Units. This lit-
erature is not the program. Since the program hasent been printed as yet,
we will have to use something. We cannot count on Arlington to supply
the literature. You have to wait till dooms day to get anything out of
them. We are getting our own printing press. It is being delivered next
week. Then we will turn out the literature by the ton. As soon as the
press is assembled and we start printing, I'll send you large quantities
of Programs, Uniform pamphlets, and other literature.

The National Office or National Headquarters of the WYC is as follows.

Dear [redacted]

b6
b7C

I received your letter today. Thanks very much for the WYC membership applications. I hate like anything to tell you this, but I feel that it is almost impossible for Lt. [redacted] or myself to comply with the \$1.00 a month dues. Money of any amount, at this time, is one of our hardest items to obtain. A few days ago I sent \$10.00 in to the A.N.P. Headquarters at Arlington for a copy of Commander Rockwell's 'This Time the World'. At present I am almost broke. As for Lt. [redacted] he is, at this time, saving almost every cent he can get to buy a typewriter so that this head'quarters would be more efficient when it comes

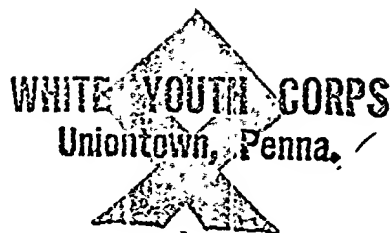

to correspondence. After war, we have a debt of 10
to pay to Lt. [] father. He lent us the money we
used to remodel our headquarters room. All this
is beside the money we use to buy stamps, paper
envelopes, etc., to keep this unit in working order.

[] told me recently to buy a filing
box to keep our records in. We haven't been able
to get that, either. I don't mean to sound like we
are on our last legs, or anything, but this \$1.00
dues business has caught us at a very bad time.
At present, all the money we get goes to some
phase of WYC progress. I have grown out of my
uniform and I can't even afford a new one. We
are willing to make every sacrifice possible for the
sake of the Party, but if we had to pay these dues
at the present we just couldn't make ends meet.

As to a membership report, we have no new
members. I have been a Party member for almost
a year now and I haven't been able to interest
anyone around here in the WYC, outside a curious
friend now and then.

[] I have a couple questions I would like to

2.)

ask you. First, could you tell me exactly how many members the WYC has nationally? Second, do you have any WYC Odelsrune flags which can be distributed to WYC units?

Well, I have to close now. Write soon.

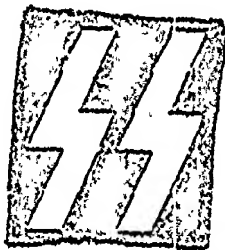

Hail Victory!!

My Leader: Heil Hitler!-

I am writing to acknowledge the receipt of
the two packages of literature which I assume
you sent and to extend my sincere thanks.

We certainly needed it, and I am now circulating
it. We are in the process of making contact with
local ANP members. We are planning our first
meeting for April 20 (Hitler's Birthday and the
day the British N.S. Movement was born). We hope
to get local ANP support. There are many of the
interested in W.Y.C. and F.A.N. in this area. But
there are two juv. commy groups of local youth who
are out to "murder local Fascists & Anti-semites" —
let 'em come — we'll be waiting with sword in hand.
The first the "Scorpions" call themselves (quote) "a communist,
anti-Nazi youth group and the second branch of "Over the Border

We have turned both over to the FBI whose leader — no force
is secretly in sympathy with us. — Well that's the point where
may I hear from you soon? — My Blood at your command —

Dear Mr. [REDACTED]

This is to acknowledge your letter of August 21st and I wish to apologize for the delay in not answering.

It is a very good sign to see that so many young people are interested in the White Youth Corps.

In reference to your request for information in setting up a White Youth Corps Unit in Salt Lake City, I am enclosing the required information that you will need. To begin with the White Youth Corps is divided into two parts. First being that of the Senior Corps members and those of the Junior Corps members. The Senior members will be from the age of 16 to 18. The Junior members will be from the age of 14 to 16. The Senior members will wear a uniform that will consist of kaki shirts and pants along with a black tie. Also you will wear a armband of black and white colors.

You will wear the rank patch of gold oak leaves on your collar. The Junior members will wear a uniform similar to those of the Boy Scouts. They likewise wear a armband and the rank patch will be that of a gold Lt's bar for the Youth Leader of the Junior Corps. Our office will be publishing a pamphlet on the types of uniforms to be worn and will see that one is sent to you.

Our Programs are now being printed and a package of them will be sent to you very shortly along with the armbands and all other materials needed to set up a White Youth Corps Unit in your area. Also let me state that no Nazi emblems will be allowed to be worn by the White Youth Corps members. One suggestion that I may convey to you. Always pick your junior leaders very carefully. In the meantime if any more information is needed, please request such.

In the meantime please keep us inform as to the progress that you are making.

FEDERAL BUREAU OF INVESTIGATION

Date February 6, 1962

[redacted]
Chicago, Illinois, advised on January 24, 1962, that he is Illinois Commander of the American Nazi Party (ANP), having been so appointed by GEORGE LINCOLN ROCKWELL, National ANP Commander, Arlington, Virginia. [redacted] stated that ROCKWELL visited the Chicago ANP Headquarters during the week end of January 19 - 22, having arrived at Chicago via air at approximately 6:00 PM, Friday and departed for Arlington, Virginia at 11:00 AM, Monday, January 22, 1962. He related that the purpose of ROCKWELL's visit was to determine firsthand the status of the Chicago group and to physically inspect the Chicago headquarters. According to [redacted] ROCKWELL expressed his pleasure with the Chicago group in both respects. b6 b7C

During that visit, according to [redacted] ROCKWELL authorized him, [redacted] to continue to operate the Chicago group and he was further authorized to process ANP membership applications and issue membership cards directly from the Chicago Office rather than submitting the applications to the Arlington Headquarters for approval. [redacted] related that while in Chicago ROCKWELL stayed at the ANP Headquarters.

On Friday evening, January 19, 1962, a meeting of members of the ANP and Fighting American Nationalists (FAN), a front group of the ANP, was held with ROCKWELL at the ANP Headquarters, 2124 North Damen Avenue.

On Saturday evening, January 20, 1962, an open house was held at the headquarters to afford those attending a chance to meet ROCKWELL, receive an explanation of ANP objectives, and inspect the Headquarters.

On Sunday evening, January 21, 1962, a meeting was held at the headquarters of FAN and ANP members together with newcomers who had manifested an interest in learning more about those organizations with the idea of possibly joining one or both. On that occasion approximately 48 persons were present, of whom roughly one-half were members and one-half non-members.

On 1/24/62 at Chicago, Illinois File # 157-3

by SAs LELAND G. RICHIE
JOHN W. TOEDT/JVK Date dictated 2/2/62

CG 157-3

[] stated that the FAN in Chicago presently consists of approximately 40 members, 15 of whom currently hold membership in the ANP. He identified the following as ANP members in Chicago in addition to himself: MATT KOEHL, []

[] and [] brothers.

He stated that [] and the two [] formally joined the ANP during the week end ROCKWELL was in Chicago. He also related that three other individuals who presently are ANP members and residents of Chicago attended the meeting with ROCKWELL on January 21, 1962. According to [] these individuals had previously been unknown to the Chicago unit and had joined through direct arrangement with the ANP, Arlington Headquarters. He insisted he was unable to recall the identities of those individuals. He also stated he is of the belief, based on statements made by ROCKWELL, that there were approximately 15 or 20 additional ANP members in Chicago who are not known to the Chicago unit. He explained that these persons deal directly with the Arlington Headquarters and make regular dues payments but for one reason or another do not desire to be known or contacted by the local unit. He disclaimed any knowledge of the identities of any such members. b6 b7C

[] also stated that he was responsible for establishing a group known as the White Youth Corps (WYC) for the purpose of recruiting high school students into the FAN. He stated that he had placed [] in charge of that organization and that it presently consists of six members. He stated that all members of the WYC are also members of the FAN. In addition to [] he identified as members of the WYC. [] age 16 and one [] (LNU), a friend of [] and []. He disclaimed ability to recall the identities of other members. He stated that in the Spring of 1962, he plans a wide dissemination to Chicago high schools of ANP literature through the WYC. [] related that the meeting held January 21, 1962 was also attended by one [] and three of his associates. He stated that [] contacted him at the ANP Headquarters, approximately four months ago, claimed he headed a Nazi-type organization in Wilmette, Illinois, the name of which [] could not recall, and claimed to have approximately 80 high school and college students in the organization. [] displayed to [] correspondence he had had with the ANP at

Arlington relative to cooperating with the ANP, Chicago Branch in their activities and inquired as to any planned ANP activity in which his organization could participate. [redacted] inquired of him as to whether his organization would be willing to join in picket demonstrations to which [redacted] replied "no, not yet". [redacted] stated he was unable to determine exactly what type of activity [redacted] and his organization desired to participate in and for that reason had had no further contact with them until the evening of January 21, 1962. On that occasion, [redacted] and his companions declined to formally join FAN and [redacted] was dubious of any further contact with them. He had no knowledge of activities of that group or of the identities of other members other than that he believed them to be a white supremacy and anti-Semitic group.

[redacted] also told of having recently been contacted at ANP Headquarters by one [redacted] age 16 or 17, who claimed to head an organization known as "Sons of Patriotism". [redacted] informed [redacted] that there were 15 - 20 members of that organization all of teen-age and that the organization is located somewhere in the northwest section of Chicago. [redacted] also classified that organization as anti-Semitic and white supremacist. He added he had had no further contact and did not know the identities of any other persons connected with it. b6 b7C

He stated that the ANP has had contact with the "Hungarian Freedom Fighters", Chicago, relative to coordinating the efforts of the two organizations. He added that this has not been followed up by the ANP as he has concluded that that organization is composed of people who are mainly anti-Communists and fascists rather than racists and for that reason would not fit particularly with ANP activities. He identified one [redacted] as a leader of that organization.

He continued that the ANP Headquarters has been visited on a number of occasions by a group from Milwaukee, Wisconsin which includes [redacted] and (FNU) [redacted]. He stated that these individuals are interested but as yet have not joined either the FAN or ANP. He added that [redacted] did attend the meeting at ANP Headquarters January 21, 1962 and stayed over for a couple of days.

CG 157-3

In regard to future activity, [] advised that during ROCKWELL's visit it was decided that the ANP would now come out into the open in Chicago. In that connection, it has been decided that a contingent will picket a 38th Anniversary celebration of "The Worker", a Communist newspaper, which is scheduled to be held February 4, 1962, at the Fine Arts Building, 410 South Michigan Avenue, Chicago, under the sponsorship of the Committee for Freedom of the Press. Five ANP members have volunteered to appear at that function in uniform wearing swastika arm bands and identifying themselves as members of the ANP. These include [] and FNU [] stated it is also planned that in addition approximately 10 others will also appear to picket as members of the FAN. b6 b7C

The meeting generally consisted of an explanation by [redacted] of items of interest to ANP members. He announced that starting immediately all members will be given each two weeks a quiz on national socialism. The exams will be prepared by MATT KOEHL using as references material GEORGE LINCOLN ROCKWELL's book "This Time the World" and stormtroopers manual prepared by the ANP. The exams will concern objectives of the ANP, the philosophy behind it, how the ANP differs from other right groups, etc. All are expected to be able to get a grade of 100% on the tests because each will be called on sometime or another by outsiders to answer questions about and explain the ANP program.

Friday evening March 23rd at 8PM a meeting was held at the ANP headquarters, 2124 N. Damen Avenue. Those present at the meeting were [redacted] KOEHL, the two [redacted]

[redacted] came late).

The ANP oath was administered by Captain [redacted] to [redacted]. The swearing in of [redacted] was postponed until after the trial. (To be on the safe side). [redacted] had not had their application notarized so they were not sworn in. (Four more are to be sworn in next Friday, also rank is to be given.)

[redacted] read a couple of letters he received; one was from a former U.S. Marine captain (believed named [redacted]) divulging a plan whereby those troopers getting severe wounds in action like one might get in a riot would be awarded a medal for being a casualty. Also medals would be given to those participating in a riot.

The telegram that was sent to Col. EICHMANN and the copy sent to the J.W.V. brought down the house. [redacted] also said that it was the Jewish War Veterans who told the police the story about the guns that was to be delivered to ANP headquarters just to get even.

b6
b7C

The other letter he told about was a crank letter he received but didn't bother to read it.

MATT KOEHL read a letter that he received from Dr. FIELDS of the NSRP asking him to please resign from his organization (KOEHL was Security Officer of the NSRP) because he, KOEHL was a source of embarrassment to the NSRP because of his association with the American Nazi Party. FIELDS was putting in the THUNDERBOLT that the reason for KOEHL's resignation was that he was devoting all of his time to the management of the Vinland Bookstore. The contents of FIELDS' letter was that he was letting himself in for a lot of grief (such as jail, smears, bodily harm etc.), that Nazism was alien to America, that it was dead and that people wouldn't buy it, that [redacted] and BURROS pulled out because they were disgusted with ROCKWELL, and that things were pretty bad at Arlington.

Following this, KOEHL read in part his reply to FIELDS. He said that FIELDS was a Nazi whether he knew it or not, that they were both fighting for the same thing, that there were no short cuts to power, no nice ways to get power, that pantywaist methods were valueless and a waste of time. To make a long story short he resigned.

The third letter that [] read was one from Arlington stating that each headquarters keep a running record of all major happenings. This record is to be assigned to one trooper (a member of the party). This diary is to be a certain size and after the year is up it is to be sent to the main headquarters at Arlington for the party historian.

[] gave a short report on the picket last Thursday night. It was held in front of the State-Lake theater in protest of SAMMY DAVIS, JR. According to [] they, i.e. []

[] were picketing for about 5 minutes when a policeman came up and told them to get off the street. Then [] said that they were not on the street. The policeman got mad, the wagon pulled up and they were told to get inside. This was a White Youth Corps picketing. [] who was just standing by observing jumped into the wagon with the boys. According to him everything was going peacefully while they were carrying signs and distributing literature. One piece of literature passed out was "Nigger, You too can be a Jew." The uniform was white shirt, black tie and black armband with the youth corps symbol in white. [] were taken to the juvenile section but the others were at the main building at 11th and State St. [] both said that the majority of the cops there preferred race-mixing. b6 b7C

[] gave a short report on what went on in 11th St., station. Bail was set at \$200 each on three counts. [] was also arrested. Disorderly conduct and defamation of character are the charges. [] borrowed the bail money from a girl friend so they got out. [] case comes up in Family Court this Friday, March 30th. The others in Boys court April 5th.

After the meeting Friday [] asked [] if he

would accept the job as official recorder for the Chicago headquarters. [redacted] asked for some time to think it over.

of the Chicago branch are made locally, but are subject to the veto of the national organization.

KOEHL stated that all operations in the Chicago area are now carried on under the banner of the ANP. Previously, he stated, a certain element of their membership was assigned to the FAN, a "front group" of the ANP. KOEHL stated the purpose of the FAN was to provide the young, inexperienced individuals with organizational training and certain indoctrination into National Socialism. In recent weeks, all activities have slowly been consolidated in the ANP operations and the FAN has ceased to exist in Chicago.

Regarding the White Youth Corps, KOEHL stated such was an idea of [redacted] and [redacted]. Such did not exist as an organization per se, but rather was a level of affiliation with the FAN and the ANP, specifically for the young element unable to actually be accepted into membership because of their age. The White Youth Corps, KOEHL stated, is also out of existence since [redacted] has fully affiliated himself with the ANP and because [redacted] are now in the custody of juvenile authorities.

On February 15, 1962, [redacted] previously mentioned, identified [redacted] as a member of the ANP and [redacted] as members of the FAN in Chicago, Illinois.

For the information of the Philadelphia Division, no data is available to Chicago regarding the identities of individuals who are in receipt of mailings of the White Youth Corps.

AMERICAN NAZI PARTY

A source advised on February 27, 1959, that GEORGE LINCOLN ROCKWELL of Arlington, Virginia, held an organizational meeting of the World Union of Free Enterprise National Socialists (WUFENS) at his residence on

CG 105-12114

"The White Youth Corps demands that the Government STOP the illegal tide of Immigration and Bar and DEPORT known pro-Communists from positions where they may fan the flame of Revolution -- the press, the radio, MOVIE PRODUCTION STUDIOS, above all, labor unions. Doubtless a law outlawing Communism would cover this requirement."

On January 24, 1962, [redacted] Captain, ANP, and Commander of the Chicago branch of that organization, advised SAs JOHN W. TOEDT and LELAND G. RICHIE, *advice* that he [redacted] was responsible for establishing the White Youth Corps for the purpose of recruiting high school students into the Fighting American Nationalists (FAN). [redacted] stated he had placed [redacted] in charge of that organization and that at that time it consisted of six members, all of whom were also members of the FAN. [redacted] stated that in addition to [redacted] other members were [redacted] age 16, and one [redacted] a friend of [redacted]. He disclaimed ability to recall the identities of other members. [redacted] stated that in the spring of 1962, he plans a wide dissemination to Chicago high schools of ANP literature through the White Youth Corps.

On January 26, 1962, [redacted] advised SA JOHN W. TOEDT that the White Youth Corps, a group set up within the Chicago branch of the ANP, utilizes an address of P. O. Box 4657, Chicago 80, Illinois (location [redacted]).

On May 22, 1962, MATTHIAS KOEHL, JR., Lieutenant, ANP, and second in command of the Chicago branch of that organization, advised SA ROBERT J. DOLAN that the Chicago branch of the ANP continues to operate as a branch unit of the ANP, headquartered in Arlington, Virginia. He stated the Chicago branch is to a degree autonomous, though it remains subject to the organization's national commander, GEORGE LINCOLN ROCKWELL, and to the ANP national headquarters for final authority. In this regard, KOEHL stated, most decisions regarding operation and practices

February 26, 1959. Six persons were present and they, according to the source, comprised the beginning of an officer corps of the organization. ROCKWELL told those present that the WUFENS would be an international movement, but that the section of the organization in the United States would be known as the American Party of the WUFENS.

The source advised on May 4, 1960, that ROCKWELL was referring to his organization as the American Nazi Party and that stationery carried the letterhead as the American Nazi Party of the WUFENS.

ROCKWELL, on March 26, 1959, furnished Special Agents of the FBI a copy of the program of the WUFENS, stating that he expects to become President of the United States through the organization's platform. The main tenets of the WUFENS, as reflected in the program, call for the migration of Negroes to Africa and the trial and execution of all Jews guilty of Communist and Zionist treason.

The source advised in May, 1960, that the headquarters of the group is located at 923 North Randolph Street, Arlington, Virginia, and that the main activity of the organization since its inception has been the distribution of anti-Jewish material and open air talks in the spring of 1960 on the Mall in Washington, D. C.

FIGHTING AMERICAN NATIONALISTS

On February 23, 1961, GEORGE LINCOLN ROCKWELL, leader of the American Nazi Party (ANP), advised Special Agents of the Federal Bureau of Investigation that the Fighting American Nationalists (FAN) was organized by [redacted] as an anti-Communist organization.

ROCKWELL said FAN was organized in September, 1960, and it is a separate and distinct group from ANP, but members of FAN are "frustrated Nazis" who do not like to wear the swastika or be associated with the principles of ADOLF HITLER.

b6
b7C

CG 105-12114

ROCKWELL stated individuals have expressed an interest in the FAN and since FAN is in consort with and guided by the ANP, those individuals soon realize the use of the swastika is the best method in getting recognition in their fight against Communism. Soon these individuals join the ANP, ROCKWELL said.

ROCKWELL continued there are three members of the FAN in Washington, D. C.: [redacted] the National Director, [redacted]
[redacted]

b6
b7C

A source advised on February 17, 1961, that in talking to [redacted] Deputy Commander, ANP, [redacted] stated there is no legal connection between FAN and ANP, but FAN was organized under the guidance of ROCKWELL and it is used as a front group dominated by the principles and objectives of the ANP and looks to GEORGE LINCOLN ROCKWELL as its leader.

The source used to characterize the ANP above is [redacted]. The source used to characterize the FAN above is [redacted]. Both sources have furnished reliable information in the past.

Developments within the Chicago Branch of the American Nazi Party (ANP) in recent weeks have brought about some definite changes.

The Fighting American Nationalists (FAN), formerly operated as a "front group" of the ANP, is now "out of the picture". All operations are conducted now within the framework of the ANP.

The White Youth Corps is also no longer in existence since its "mainstay", [redacted] is held in the custody of juvenile authorities in Joliet, Illinois. This is apparently the last that will be heard of the White Youth Corps, at least in the Chicago area.

Since [redacted] has been taken into custody and since the recent arrest of [redacted] he has changed his residence from the Nazi headquarters, 2124 North Marion, and has returned to his home, [redacted] Chicago.

b6

MATTHIAS KOEHL is now the only one affiliated with the organization who continues to maintain residence in the headquarters building.

[redacted] was recently fired from his position as a laboratory technician at the Ravenswood Hospital. It has not been established if [redacted] political activities were responsible for his firing or if possibly some other reason may have been the cause.

On 8/29/62, Major [redacted] G-2, Pittsburgh, Pa., furnished this office with several documents, which had been given to the Senior Unit Advisor of the U. S. Army Reserve, Uniontown, Pa., by one [redacted] Uniontown, Pa., also a member of the U. S. Army Reserve. [redacted] reportedly received said documents from a 15 year old boy named [redacted] who had evidently been invited to join the White Youth Corps at Uniontown.

Among the material furnished by [redacted] was a letter which [redacted] had proposed to send to the Editor of "The Evening Standard," Uniontown, Pa., dated 8/13/62, but which [redacted] said he had never sent. In this letter, [redacted] set out that the White Youth Corps maintained headquarters in a garage at the rear of the home of [redacted] Uniontown, Pa., and that [redacted] son of [redacted] and one [redacted], Uniontown, were the chief organizers of the above group and were attempting to enlist additional members from among boys of junior and senior high school age. [redacted] and his wife reportedly know of this group and are doing everything in their power to help their son organize it.

Doubtless a law outlawing Communism would cover this requirement."

On January 24, 1962, [redacted] former Captain, ANP, and Commander of the Chicago branch of that organization, advised SA JOHN W. TOEDT and LELAND G. RICHIE that he [redacted] was responsible for establishing the White Youth Corps for the purpose of recruiting high school students into the Fighting American Nationalists (FAN). [redacted] stated he had placed [redacted] in charge of that organization and that at that time it consisted of six members, all of whom were also members of the FAN. [redacted] stated that in addition to [redacted] other members were [redacted] age 16, and one [redacted] (LNU), a friend of [redacted] He disclaimed ability to recall the identities of other members. [redacted] stated that in the spring of 1962, he plans a wide dissemination to Chicago high schools of ANP literature through the White Youth Corps.

On January 26, 1962, [redacted] who has furnished reliable information in the past, advised SA JOHN W. TOEDT that the White Youth Corps, a group set up within the Chicago Branch of the ANP, utilizes an address of Post Office Box 4657, Chicago 80, Illinois [redacted]

b7D

On May 22, 1962, MATTHIAS KOEHL, JR., Captain, ANP, and officer in charge of the Chicago branch of that organization, advised SA ROBERT J. DOLAN that the Chicago branch of the ANP continues to operate as a branch unit of the ANP, headquartered in Arlington, Virginia. He stated the Chicago branch is to a degree autonomous, though it remains subject to the organization's national commandor, GEORGE LINCOLN ROCKWELL, and to the ANP national headquarters for final authority. In this regard, KOEHL stated, most decisions regarding operation and practices

of the Chicago branch are made locally, but are subject to the vote of the national organization.

KOEHL stated that all operations in the Chicago area are now carried on under the banner of the ANP. Previously, he stated, a certain element of their membership was assigned to the FAN, a "front group" of the ANP. KOEHL stated the purpose of the FAN was to provide the young, inexperienced individuals with organizational training and certain indoctrination into National Socialism. In recent weeks, all activities have slowly been consolidated in the ANP operations and the FAN has ceased to exist in Chicago.

Regarding the White Youth Corps, KOEHL stated such was an idea of [redacted] and [redacted]. Such did not exist as an organization per se, but rather was a level of affiliation with the FAN and the ANP, specifically for the young element unable to actually be accepted into membership because of their age. The White Youth Corps, KOEHL stated, is also out of existence since [redacted] has fully affiliated himself with the ANP and because [redacted] are now in the custody of juvenile authorities.

On February 15, 1962, [redacted] previously mentioned, identified [redacted] as a member of the ANP and [redacted] and [redacted] as members of the FAN in Chicago, Illinois.

KOEHL stated the purpose of the FAN was to afford the young, inexperienced individuals in their group with organizational training and certain indoctrination into National Socialism. FIGHTING AMERICAN NATIONALISTS

On February 23, 1961, GEORGE LINCOLN ROCKWELL, leader of the American Nazi Party (ANP), advised Special Agents of the Federal Bureau of Investigation that the Fighting American Nationalists (FAN) was organized by [redacted] as an anti-communist organization. ROCKWELL said FAN was organized in September, 1960, and it is a separate and distinct group from ANP, but members of FAN are "frustrated Nazis" who do not like to wear the swastika or be associated with the principles of ADOLPH HITLER.

b6

ROCKWELL stated individuals have expressed an interest in the FAN and since FAN is in consort with and guided by the ANP, these individuals soon realize the use of the swastika is the best method in getting recognition in their fight against communism. Soon these individuals join the ANP, ROCKWELL said.

Source stated on November 23, 1960, that a meeting was held in Chicago, Illinois, on November 18, 1960, to formally organize the ANP in Chicago, Illinois. The meeting was called by [redacted] who appointed MATTHIAS KOEHL, JR. as Secretary of the ANP, Chicago, Illinois.

It was announced at this meeting that the ANP, Chicago, Illinois, would for the time being operate under a "front organization", the Fighting American Nationalists (FAN), until such time that sufficient members were gathered. Recruiting for the Chicago ANP would be done through the FAN in Chicago.

On May 22, 1962, MATTHIAS KOEHL, JR., self-identified Lieutenant, ANP, Chicago, Illinois, advised that the ANP, Chicago, Illinois, continues to operate as a branch unit of the ANP, headquartered in Arlington, Virginia. RACIAL MATTERS

On January 4, 1963, Detective [redacted] Security Section, Intelligence Division, Bureau of Inspectional Services, Chicago Police Department, advised that information had recently come to his attention indicating that captioned organization, formerly affiliated with the American Nazi Party as a youth division, is being reorganized after a temporary cessation of activity.

b6
b7c

Detective [redacted] pointed out that activity within the White Youth Corps ceased shortly after March, 1962, when members of the organization were arrested following their participation in a picketing demonstration at the State-Lake Theatre.

Included in this demonstration and also arrested were members of the American Nazi Party. As a result of this arrest, a charge of contributing to the delinquency of a minor was considered and the American Nazi Party was so informed. This charge was not placed against the leaders of the Chicago Branch American Nazi Party, but fear that at some future date it would be used caused some discomfort to GEORGE LINCOLN ROCKWELL, National Commander of the American Nazi Party, and other leaders of the organization, and a conference was subsequently held at the Chicago Office of the American Nazi Party concerning the future of the White Youth Corps. As a result of this conference, ROCKWELL ordered the disassociation of the youth element from the American Nazi Party. In addition as a result of the arrest, he ordered that no person under the age of 18 years can be considered for membership in the American Nazi Party, nor can a person under the age of 18 years be permitted to attend meetings of that organization, nor can a person under 18 years of age be extended permission to pass beyond the first floor of the headquarters building at 2124 North Damen Avenue, Chicago, Illinois.

Chicago, Illinois
January 10, 1963

The American Nazi Party (ANP) continues to maintain a Chicago Branch with headquarters at 2124 North Damen Avenue, Chicago, Illinois. The Chicago unit occupies the entire building at that address, which is composed of two floors.

On the street level of the building is a small retail shop, which has been used until recently for the Vinland Book Store. At the rear of the book shop is a meeting hall and to the rear of that is an attached garage. On the second floor is a living room, office, kitchen and bath. Adjoining these second floor rooms are small bedrooms in which MATT KOEHL, [redacted] permanently reside.

At the present time, it is planned that the Chicago organization will fix up the basement of the building for future use as a recreation room.

As of January 10, 1963, the following are officers of the Chicago Branch, ANP:

MATT KOEHL - Captain
Officer in Charge

b6
b7C

[redacted] - Lieutenant
Second in Charge

Group Leaders

[redacted]

[redacted] Adjutant

There are presently four groups within the membership of the Chicago organization. These are: first, the Storm Troopers, which is composed of members who are willing to participate in all public demonstrations and activities and take part in all other assignments given them. Secondly, there is the Associate Storm Troopers, which is composed of those individuals who are willing to participate in "certain of the public activities" but not all. The third group are known as Associate Members and these are the individuals who remain in the background as far as public participation is concerned. They, however, will handle non-public assignments within the organization. The fourth and last group are known as Supporting Non-Members and are as their name implies those individuals who do not participate actively in the activities of the organization but rather "do their part" by means of financial contributions.

Regarding membership of the Chicago organization, the following individuals are considered as members, however, it is not known if they are officially carried on Party rolls as such nor is it known if they do in fact possess membership cards:

MATT KOEHL

b6
b7C

It is understood that the ANP Headquarters at Arlington, Virginia, has purchased a new printing press and that if it is at all possible the old press formerly used by them will be turned over to the Chicago organization as a gift.

From all appearances the Chicago unit of the ANP is "all but broke". MATT KOEHL handles all funds and is the only one who apparently has real knowledge of the money on hand in Chicago but every evidence around the headquarters indicates that money is definitely short at the Chicago unit.

The Chicago organization no longer operates a front group as such. The Fighting American Nationalists (FAN), which previously existed as a front organization in the Chicago unit, has remained out of existence and nothing has been done or said to indicate it will be reactivated.

Several of the younger future members have reactivated the White Youth Corps, which allegedly is not to be connected with the ANP, however, it will hold its meetings in the ANP building, will receive advice from the leadership of the ANP, and from all appearances will be subject to ANP for final authority.

currently b6
b7C
make up the membership with one other unknown individual. All are high school students in the Chicago area. No definite plans for the White Youth Corps have been announced as of this time.

It has been learned that the reason for MATT KOEHL accompanying GEORGE LINCOLN ROCKWELL, the Party's National Commander, on a trip to Atlanta and Birmingham following ROCKWELL's last Chicago visit was principally to contact EMORY BURKE of the National States Rights Party and attempt to swing BURKE over with the ANP. Apparently secret conferences were held hoping to bring BURKE and as many of the NSRP members as possible into the ANP camp. BURKE, it is said, was sympathetic to the principles of the Nazi Party, however, just could not bring himself to undertake the banner of the swastika nor the idea of representing himself as a Nazi. In addition, during the course of this trip, ROCKWELL and KOEHL journeyed to Birmingham in an attempt to secure

the release of [] from jail there. [] has apparently been incarcerated since his attack on Reverend MARTIN LUTHER KING. KOEHL apparently visited in Arlington, Virginia, before journeying to Birmingham and Atlanta with ROCKWELL. He departed ROCKWELL in Birmingham and returned to Chicago.

WHITE YOUTH CORPS
RACIAL MATTERS

Re Chicago letter to the Bureau dated 10/29/62.

Captioned organization as noted in referenced communication has in the past existed not as an organization per se but rather as a level of affiliation with the Fighting American Nationalists and the American Nazi Party (ANP) at Chicago, Illinois. It was specifically intended for the young element who were unable to actually be accepted into membership in these organizations because of their age. It is noted that as of the time of referenced Chicago letter, the White Youth Corps was out of existence.

On January 4, 1963, Detective [redacted] Security Section, Intelligence Division, Bureau of Inspectional Services, Chicago Police Department (protect - deemed advisable), an agency which collects security type information in the Chicago, Illinois area, advised that he had received information indicating captioned organization, formerly affiliated with the ANP as a youth division, is being re-organized after a temporary cessation of activities. Detective [redacted] pointed out that activity within the White Youth Corps ceased shortly after March, 1962, when members of the organization were arrested following their participation in a picketing demonstration at the State-Lake Theatre.

Included in this demonstration and also arrested were members of the American Nazi Party. As a result of this arrest, a charge of contributing to the delinquency of a minor was considered and the ANP was so informed. This charge was not placed against the leaders of the Chicago Branch ANP, but fear that at some future date it would be used caused some discomfort to GEORGE LINCOLN ROCKWELL, National Commander of

the American Nazi Party, and other leaders of the organization and a conference was subsequently held at the Chicago Office of the ANP concerning the future of the White Youth Corps. As a result of this conference, ROCKWELL ordered the disassociation of the youth element from the ANP. In addition as a result of the arrest, he ordered that no person under the age of 18 years can be considered for membership in the ANP, nor can a person under the age of 18 years be permitted to attend meetings of that organization, nor can a person under 18 years of age be extended permission to pass beyond the first floor of the headquarters building at 2124 North Damen Chicago, Illinois.

Detective [] stated that former leaders of the White Youth Corps, namely [] are no longer associated with the White Youth Corps, [] because of his arrest and disassociation with the group, and [] because of his acceptance into the ANP.

b6
b7C

Detective [] remarked that although the new White Youth Corps will reportedly not be considered a part of the ANP, they propose to utilize office space at the ANP headquarters in Chicago. They will also receive legal advice from the ANP, although according to the Chicago leadership, it is not the intention of the ANP to make decisions regarding policy procedures for them and in no way dictate plans or suggestions to them.

Membership of this organization is to be confined to individuals between the ages of 14 years and 18 years of age.

The identities of leaders of the new White Youth Corps, Detective [] stated, have not as yet been established nor have plans of the organization been specifically set.

b6
b7C

On February 12, 1963, [] who has furnished reliable information in the past, advised that a small group of high school age boys have recently held meetings.

at the headquarters building, Chicago Branch ANP, 2124 North Damen Avenue, Chicago, Illinois. The frequency of such meetings, source stated, is unknown. One [redacted] presently is the so-called "National Commander" of this group. Membership, source stated, consists of but three or four boys and source has no indication that this group has activity or membership that extends beyond the Chicago area. It is most obvious, source stated, that the ANP wishes to show that this organization is entirely independent of the ANP and that members of the White Youth Corps are not allowed to attend ANP meetings or functions. Members of the ANP are likewise not permitted to be present at White Youth Corps meetings. Source continued that the aims and purposes of this organization are unknown. They have apparently engaged in no public activity since March, 1962 at which time members of the former White Youth Corps organization were arrested following a public demonstration.

b6
b7C

On February 13, 1963, Detective [redacted] previously mentioned, advised that inquiry to date has developed no additional information regarding the extension of membership or activities of the White Youth Corps. Detective [redacted] stated that it appears that despite the denunciations of Commander ROCKWELL regarding the association of this organization and the ANP, the White Youth Corps is nevertheless affiliated with ROCKWELL's organization.

In view of the above facts it is recommended that no investigation concerning the White Youth Corps be instituted at this time. In this regard it is noted that the former organization was not, as previously mentioned, an organization per se but merely an element of the ANP established to provide an affiliation for the younger element. It is also noted that the White Youth Corps proposes to utilize the headquarters of the Chicago Branch, ANP, and to receive legal advice from that organization. It is additionally noted that no indication of membership or activity has been noted outside the Chicago area. Since the activities of the

CG 105-12114

ANP are in themselves subject to current investigation and covered by established sources and informants, activities of the White Youth Corps will therefore, be included in the inquiry of the ANP. Any independent activity on the part of the White Youth Corps will be immediately brought to the Bureau's attention by the Chicago Division.

Should indications develop that the White Youth Corps is operating separately and distinct from the ANP, an investigation of that group will be immediately considered and a recommendation will be submitted to the Bureau.

[] stated that [] has taken a liking to him and therefore, he wants to offer his assistance in any way possible to fight Communism.

He was asked if he was ever a member of the ANP, at which time he stated that he was not, although he had attended several meetings of the ANP but never participated in any of their demonstrations. He stated that he probably would have participated in the ANP but the ANP rules are that no person under 18 years of age is allowed to be a member of that organization.

He stated that he became interested in the ANP due to the fact that everyone talked about this organization and he wanted to see for himself just what kind of organization it was and why everybody feared it.

He stated that he attended Lane Technical High School and graduated on 1/23/63. While at this school, he was a member of ROTC and during one of the ROTC classes he had with him a swastika his uncle picked up as a souvenir in World War II in Europe. He stated one of the students at the above school reported the incident to the school principal, at which time he was called to the principal's office and questioned. When he explained how he had the swastika in his possession, the matter was dropped. He stated that because of the fact that so many people show fear of the sight of a swastika and the ANP, he was interested in finding out just what kind of organization the ANP was and what it teaches. He stated that in his opinion, the ANP was anything but anti-American. It teaches that the Jewish people are the greatest threat to America and that all Russian spies are Jewish, and the organization is anti-Communism.

b6
b7C

[] said that he goes along with the ANP on its anti-Communism point, but does not go along with the statement that all Jews are bad and a threat to our security.

He stated he was a member of the "White Youth Corps" which he classified as a front group of the ANP, but that it received no help from the ANP whatsoever and was a club in name only and was not organized.

He stated that he is a member of the National Guard, having joined in 9/62, and is scheduled to leave on active

Meeting at Chicago Headquarters; American Nazi Party, 2124 North Damen Avenue, Chicago, Illinois, 10 February, 1963, 7:00 p.m. (1900 Hrs.) to 8:00 p.m. (2000 Hrs.) Sunday.

A meeting was held at the Chicago Headquarters of the American Nazi Party (ANP) at 2124 North Damen Avenue, Chicago, Illinois, on Sunday, 10 February 1963, from about 7:00 p.m. (1900 Hrs.) to about 8:00 p.m. (2000 Hrs.) in the first floor meeting hall.

Present at the meeting were about 15 people. The meeting was conducted by Lieutenant [redacted] who had taken command of the Chicago Headquarters on Friday, 1 February 1963. Other members of the full time staff present were [redacted] who had come to Chicago with the Lieutenant, and regular full time members present were [redacted]. Members attending the meeting included [redacted] and one of the [redacted] brothers who had delayed the start of the meeting several minutes having been in the corner tavern. Other members attending included [redacted] [redacted] a man named [redacted] [redacted] and one or two new men including one [redacted]

b6
b7C

The general purposes of the meeting was to discuss finances, some activities that some of the members engaged in on Saturday, 9 February 1963, and some general future plans that the party had.

Lieutenant [redacted] explained that he and one or two other men had opened a checking account in the name of the American Nazi Party at the Northwest National Bank, Chicago, Illinois, with an original deposit in the amount of about \$40.00. The account, he advised, had been opened without difficulty and the woman that had taken care of them had been very cordial and polite and according to the Lieutenant, informed that that she did not think there would be any difficulty regarding the account. This had occurred during the early part of the week of 3 February 1963 to 9 February 1963. A few days later they had received at the Chicago Headquarters a letter from the Northwest National Bank of Chicago advising them they were out of the limits in which the bank generally operated. It was described as being a polite letter and enclosed was a check for the full amount of their deposit with that bank. Lieutenant [redacted] informed those present at the meeting that they would attempt to establish an account with another bank and that they intended to continue trying until they found one that would handle the account.

There was also some discussion regarding the payment of rent on the building. In a previous meeting it had been explained by Lieutenant [] and Captain KOEHL that they had given a check for the rent to the attorney for the landlord of the building and that he had accepted the check but had advised them then that he was taking it merely as a formality and that he would return it to them and had no plans of making a final acceptance of it or depositing it. According to Lieutenant [] and Captain KOEHL the landlords attorney had some plans for having them removed from the building. However during the present meeting (10 February 1963) Lieutenant [] advised that they had not received the check back from the attorney at that time and that he was somewhat concerned about the possibility that the attorney had deposited the check, on which there were not enough funds on deposit to cover. While discussing this particular phase of the evening's business, Lieutenant [] also advised that there was some discussion of the possibility of the Party buying the building at 2124 North Damen Avenue, Chicago, if they could get a reasonable enough price offer from the owner. Lieutenant [] also pointed out some work that was being done in the meeting hall area of the building. Along the south wall of the building were some obvious signs of work being done and he advised the group that they were going to have a shower stall and a toilet built for the use of members.

b6
b7c

Lieutenant [] advised that the telephone company and the electric bill had been taken care of at least temporarily.

He did advise however that help was needed in getting adequate food to the full time members of the staff. [] asked about how much it would require to feed the full time staff for a period of one week. It was estimated that this would amount to about \$15.00 and the hat was passed at once to the various members present. The amount of money raised was about equal to that stated as the required amount and Lieutenant [] also advised that any donation of food would be greatly appreciated.

There was a review by Lieutenant [] regarding some activities that he and other members of the Party had participated in on the previous day, Saturday, 9 February 1963.

On that date he (Lieutenant []), [] and [] had gone to the area of the Evanston Campus of the Northwestern University to distribute some pamphlets among students. These involved the talk that Commander ROCKWELL was to have given on the Evanston Campus but which had been cancelled. The pamphlet was on slick paper and was printed on both sides. The one side purported to be a press release from the Jewish War Veterans of the United States, Department of Illinois, Chicago, and was dated February 2, 1963. This release related how and what some of the steps were that had been taken by that organization to cause the cancellation of the speech by Commander ROCKWELL. The

reverse side of the pamphlet contained some comments from the American Nazi Party regarding their attitude towards the press release. Lieutenant [] advised that the Chicago Headquarters of the Party had gotten possession of some copies of this press release and had sent them to Party Headquarters in Arlington, Virginia for mass printing. The attitude of the American Nazi Party towards this had been added in Arlington, a large number of these pamphlets had been run off, and had been returned to the Chicago Headquarters through the United States mails, air mail, special delivery. Future operations of this sort could be expected to be handled entirely in Chicago. Lieutenant [] advised as the Chicago Headquarters was then in possession of a small printing press which was in need of some repair work for which funds were being scheduled or considered. He advised that while they were distributing these pamphlets on the Evanston Campus they had some minor difficulties with one or two of the Jewish students there and that rather than cause any physical violence they retired from the campus itself. A number of the pamphlets had been distributed during the time that they were on the campus however. On leaving the campus grounds they distributed them around the neighborhood, dropping them on doorsteps or in hallways of nearby residential properties. This activity was soon interrupted by the appearance of the Evanston Police. Lieutenant [] spoke well of them and advised that the police officers that arrived on the scene first appeared to be rather understanding of their situation. A lieutenant of the Evanston Police Department was called and requested that they follow him to the police station. Lieutenant [] felt that this might be a trap but the police lieutenant, according to [] said, "Look, I can't ask you strong enough. I don't want to arrest you. Now, will you please follow me to the Police Station? Believe me I can't ask you much stronger." They followed and were soon released after explaining their position and reasons for their actions in Evanston and after the Evanston Police satisfied themselves that they had done nothing wrong. According to Lieutenant [] Commander ROCKWELL would be arriving in Chicago in the very near future and further attempts would then be made for him to deliver a speech at Northwestern University at the Evanston Campus. Lieutenant [] informed the meeting that the Commander felt very strongly about delivering a speech there and that if all else failed he just might give one from the steps of the post office in Evanston. Commander ROCKWELL was also considering delivering a speech at the University of Chicago.

b6
b7C

Further activity on the part of the American Nazi Party on Saturday, 9 February 1963, was engaged in by members of the White Youth Corps. This consisted of several of them being driven down to the World Playhouse, a motion picture theater located at 410 South Michigan, Chicago, and picketing the movie being shown

there as immoral. These people did not wear the Swastika armband but did wear the armband of the White Youth Corps. There was no trouble and no incident occurred. However several people watching the picketing operation evidently recognized the White Youth Corps symbol as being related to the American Nazi Party and had some comments to make regarding this but no incident occurred and the picket was a peaceful one. The exact number and the names of the persons engaged in the picket was not determined.

[] one of the members at the meeting, suggested that it might be worthwhile if the Party considered going to some of the suburban communities surrounding Chicago or to some of the neighborhood theaters in better class areas away from the Loop and picket some of the movies now being displayed as injurious to the morals of American youth, his idea being that no Swastika armbands be worn at these times but that some literature be passed out to onlookers concerning the attitude of the Party to such films. He felt that this would create further interest in some communities regarding other activities of the Party and would, he felt certain, create a favorable impression towards some of the Party's activities.

[] agreed with at least a portion of this idea stating that he was of the opinion that the only thing that had caused the trouble or the thing that had caused most of the trouble on the picket held at the Sherman Hotel during December of 1962, was the wearing of Swastika armbands by the members of the picketing group. [] made some comment about that being "old hat" and the discussion ended quietly. Lieutenant [] however, appeared to give the matter some serious thought.

b6
b7c

[] had received a personal letter from Lieutenant [] in Arlington, Virginia, a portion of which he read to the group. This seemed to be general advice concerning a matter of Party morale. He advised that differences of opinion or personalities should be kept within the confines of the Party Headquarters or group involved, should not be made public and that all attempts and efforts should be made at all times to present a solid and strong appearing attitude of comradeship and solidarity to the public and to all outsiders. Lieutenant [] agreed with this and expounded on it to some extent.

There were some plans of swearing [] into the Party during the meeting but as the papers setting forth the oath and the form of ceremony to be followed could not be located, the ceremony was postponed and the meeting closed.

After the meeting [] was overheard in a conversation with one of the members of the Party. This member suggested that they try to establish a checking account under the title of the Vineland Bookstore; that they might meet with more success. [] reply was; "Why! We're not the Vineland Bookstore. We're the Nazi Party, we're here and we're here to stay. Don't worry, we'll find a bank." He and this same man were also overheard having a conversation with one or two others regarding the food situation at the Chicago Party Headquarters. [] said that they had a man that had been supplying them with meat but that the supply had been temporarily shut off. The man supplying them with meat either worked for a large grocery or a meat company. He had just been promoted to a manager's position and as he was still under the direction of someone from the home office or the local office of his company, was having to be rather careful of his inventory for a period of about a week or so more. The name of the man supplying them with the meat was not learned. b6 b7C

[] was also overheard having a conversation with [] after the meeting in which he advanced the idea of trying to get members who were engaged in the operation of small businesses or have several of the more qualified members work together to establish one or more small business operations with the idea of operating them along the same lines that the Black Muslims operate. [] felt that this would be a good idea if it could be put into operation and said that there had already been some discussion along those general lines.

On Sunday, March 3, 1963, the Midwest Division, American Nazi Party (ANP) held its regular meeting at their headquarters, 2124 North Damen Avenue, Chicago, Illinois. The meeting which commenced at approximately 8:00 p.m. was chaired by Lieutenant [REDACTED] Officer in Charge of the Chicago Unit.

Among those present at this meeting were the following:

b6
b7C

[REDACTED] is apparently a new associate of the ANP in Chicago. He is in his mid to late 20's, approximately 6', 180-190 pounds, brown hair, worn in crewcut, black eyes, appears to wear dental plates, has features of an Indian.

[redacted] also is apparently new with this organization and has said he is a four year student at Lane Technical High School. He is employed by Vance's Supermarket, North Avenue and Central and resides in the area near Armitage and Kedzie. [redacted] will apparently be connected with the White Youth Corps.

During the course of this evening it was learned that [redacted] is employed as Manager of [redacted] Floral Shop, [redacted] Street, Chicago.

It was also learned that [redacted] currently lists the following as his business address:

822 North 24th Street,
Milwaukee 3, Wisconsin

He is also known to have P. O. Box 881, Milwaukee 1, Wisconsin.

Once the formal meeting had begun, [redacted] initiated a discussion of the appearance of GEORGE LINCOLN ROCKWELL, ANP Commander at Shimer College in Mt. Carol, Illinois.

[redacted] stated that the audience appeared to be a group of "beatniks". ROCKWELL, [redacted] stated, claimed that about 25 persons present wore arm bands bearing a hammer and sickle while another 25 persons wore arm bands with the Star of David.

b6
b7C

During the course of this meeting a long discussion was held regarding financial conditions in the Chicago organization. The principle financial effort at this time is to buy the building in which the Chicago Headquarters is housed. The owner has apparently indicated he will sell the building to the ANP for \$15,000 and will accept \$1500 as a down payment. [] indicated the period of the loan would run 10 years. The February rent for the building has been paid and the owner has agreed to apply the March rent to a down payment. It was also announced that a woman in Chicago, not identified, had recently purchased \$100 worth of books and literature from the organization and this \$100 would also apply to the down payment. [] stated that ROCKWELL is putting out a special mailing bearing a strong appeal for money to assist in this effort, although it was not announced when this mailing would be made.

b6
b7c

It was learned that [] suggested to [] that [] become a part-owner of the building. However, [] it was learned, declined this offer giving as his reason that to do so would jeopardize his job with the City of Chicago. [] also mentioned a trial of five of the membership which was scheduled to be held on March 6, 1963. He stated that

they will attempt to secure a jury trial and added that "anybody who doesn't demand a jury trial will be kicked out of the Party". [] explained that it is felt that with a jury the ANP can win their case.

b6
b7C

No business of importance was discussed during the balance of the evening. [] had made a recording of the WIND broadcast on Sunday, March 3, 1963 concerning the Chicago ANP. He played this recording for those present. FLECK's efforts in this regard were well received. Following the playing of the recording the meeting terminated.

A small group of high school age boys have recently held meetings at the headquarters building, Chicago Branch, American Nazi Party (ANP), 2124 North Damen Avenue, Chicago, Illinois. It is not known how frequently these meetings are held. One [redacted] is presently the so-called national commander of this group, which is meeting under the name White Youth Corps. Membership consists of three or four boys and no indication has been given as to any activity or membership of this group extending outside the Chicago area. It is most obvious that this group is attempting to appear completely independent of the ANP and it is said they are not allowed to attend ANP meetings or functions nor are members of the ANP permitted to participate in White Youth Corps meetings.

b6

To date no one has indicated the aims or purposes of the White Youth Corps. Apparently they have engaged in no public activity since March, 1932, at which time members of the former White Youth Corps were arrested following a public demonstration.

MEETING of 5 MAY 1963 AMERICAN NAZI PARTY HEADQUARTERS,
2124 N. DAMEN AVE., CHICAGO.

SUPPLEMENT

It was learned that [] had deserted the American Nazi Party, Chicago Headquarters, 2124 North Damen Avenue, Chicago.

According to information obtained, there was some money collected from various Party members on the day of Commander ROCKWELL's speech, of Saturday 20 April 1963, and [] was in possession of some of these funds. It has been estimated by [] that [] was given an estimated \$50.00, by one party alone, a young, rather obese member of the White Youth Corps.

[] is reported to have taken this money, and possibly others, gone out that night, 20 April 1963, done some heavy drinking, and spent most of the money, becoming somewhat intoxicated in the process.

According to information received he then returned to the Chicago Headquarters of the Party, went to his room, lowered some of his personal belongings through an open window to the ground, retrieved these on leaving the building and then deserting.

[] has been under some rather heavy strain due to the forthcoming trial of himself and three other members of the Party for a riot which they are charged with starting or inciting at the Sherman House Hotel, Chicago.

Part of his actions may have been caused by this, and he has also been regarded as the man who would have been the prime target at this trial of the prosecution.

CG 157-3

He is also a person that requires physical activity, his make up requiring proximity to physical danger or violence. At such times he has been in ice cold command of all of his faculties, and has conducted himself with the greatest of ease, and nonchalant in the face of imminent physical danger. At such times he shows the qualities of a leader. Sitting around the office of the building, attending meetings, handling various administrative details, awaiting the aforementioned trial, he has been seen to show signs of increasing nervousness and some inattentiveness.

The above is not meant as a medical or psychological diagnosis. It is from personal observations only.

These conditions may have led to his drinking bout that night, which called for the spending of money earmarked for the Party, fear of retaliation for this action may have brought on his desertion, coupled with the anxiety of the forthcoming trial.

[redacted] in discussing this had the following conversation.

[redacted] "In some ways, I am a little surprised. The man is definitely not a coward."

[redacted] "Physically, no. But you know yourself, [redacted] there are difference kinds of courage."

2 MAY 1963

SPEECH BY COMMANDER GEORGE LINCOLN ROCKWELL, AMERICAN NAZI PARTY, PARTY HEADQUARTERS, 2124 N. DAMEN AVENUE, CHICAGO, ILLINOIS, SATURDAY, 20 APRIL 1963, ABOUT 3:30 P.M. to ABOUT 4:30 P.M. (1530 HRS TO 1630 HRS)

Commander ROCKWELL gave a speech that was open to the public with an admission charge of \$1.50, the speech being given in the first floor meeting hall of the American Nazi Party Headquarters at 2124 North Damen Avenue, Chicago.

The members of the Party that were in uniform stood either behind the Commander, these men were the leaders of the local Headquarters, or were stationed around the room and at the door. There were al in all between 25 and 30 persons in attendance at this speech. The majority of them appeared to be party members or followers and were apparently known to various active members of the party. There were no introductions made. There were possibly five or six persons in the group that were making their first appearance at the Party Headquarters, coming to see the Commander, and to hear him deliver his speech. Those who were known, and were in attendance were:

[REDACTED]
[REDACTED] brothers, [REDACTED] and one or two members of the white Youth Corps.

b6
b7C

The speech given by the Commander, while bringing in the race - Negro - and what may be termed religion - Jewish - lines, there was nothing of an open "hate" nature about it, chances being good that most if not all of the things that he said as fact being provable as such, and the speech as a whole being one which would probably have met with the approval of almost anybody hearing it, whether they were pro or anti American Nazi Party.

His speech seemed to be directed at showing what the aims of the American Nazi Party were. He discussed the type of magazines and books now being published and the fact that they were all available to any person who could read, providing they had the purchase price, regardless of age or sex. He

mentioned a book called Tropic of Cancer, which is regarded as being a best seller, and advised that when he was attending college there was a book then known as Slysses that was the center of a great deal of controversy, but which would now be considered as "sissy stuff". He also made mention of a magazine called "Eros", which he said was highly immoral. Lack of respect to parents, in particular to the fathers, by current teen-agers was also discussed and this he blamed a good deal on current popular television shows throughout the country. Most of these he advised made the father and husband of the family "look like a bungling idiot, that was always falling downstairs, could barely tie his own shoe laces, and would never get anywhere if it were not for the extremely intelligence and brilliant and beautiful wife that he had, who always managed to save the day for the poor boob; the same appearing to be true of a number of the comic strips in papers throughout the country. The two combined he felt caused a steady destruction of discipline, and respect for authority, in the one place where it was needed most for the future good of the country, that being the home. He felt that the father and husband represented the basic and basis for authority and discipline in the minds of children, and that the above described things were slowly destroying this. He also felt that certain occurrences that had made headlines were having an effect on this also. In this he referred to persons that were known to be associated with the leaders of the organization known as the "Syndicate" or persons known to be leaders themselves of the "Syndicate" that were able to commit every crime in the book, including murder, narcotics, income tax evasion, gambling, prostitution and yet be treated as highly respected pillars of their community and defeat the laws in the very courts.

Commander ROCKWELL assured the audience that under government by the National Socialist Party, the activities of such men as these would come to a very rapid halt. He also informed the group that the publication of the immoral or questionable literature available on the news stands today would also be discontinued in very short order.

In discussing these magazines and books he mentioned the names of persons handling the publishing and distribution of these in some cases. He referred directly to an incident involving the book "Tropic of Cancer". In this there was evidently a regulation banning the sale of the book. The book was printed and the man that operated the news stand at Washington, D. C. airport puts several copies on his shelf, attempted to sell them and was arrested. The Commander advised that this was a test case and that the man operating the news stand fully intended to be arrested. The decision handed down by the court was such that the book was allowed to be sold publicly. The name of the man that headed the publishing company and the man who operated the news stand at the airport were both Jewish. Commander ROCKWELL also brought out the point that in the Jewish War Veterans Association (JWVA) it is entirely possible to secure a commission as an officer in the organization by the payment of a certain amount of money, the amount of money for each rank in the officer grade stipulated at a set price.

The Commander also mentioned the Black Muslims. In this he advised that their leaders, and the American Nazi Party were basically both heading towards the same goal as far as the races were concerned. This called for the complete discontinuance of segregation, in particular that involving interracial marriages and finally the complete and absolute separation of the Negroid and the Caucasian races, where by the Negroes would eventually be given a country of their own, either on land set aside in the United States itself or a new country to be established in Africa.

He also touched on Communism. He informed the group that at the present time in the United States the two most militant groups or organizations ready and willing to fight for their beliefs were at complete and opposite ends of the poles; one being the Communist Party, the other being the American Nazi Party. He advised that most of the Right Wing organizations in this country at the present time were great talkers and planners but that when it came down to going out in public and

CG 157-3

fighting for their beliefs facing jail sentences and even the possibility of being placed in mental institutions the American Nazi Party stood alone in the Right Wing. He also advised that it was the only organization that had the open enmity, hate and fear of the Communist Party and various Communist front associations. He informed the group that members of the Communist Party had to be respected because those who were real believers in the doctrine of that party were ready to lay down their lives if necessary. He stated that there are also a great many members of the American Nazi Party that felt the same way and that the only way either of these two parties could be removed would be for one to destroy the other, literally, or for the government to step in and order the death of the leaders and various members of both parties. As he put it, "The only way you can really get rid of us is to kill us. We are here, and we are here to stay."

The speech continued for a period of about one hour, terminating about 4:30 PM. (1630 HRS)

Due to a tight schedule in catching his plane, which left at 5:30 (1730 HRS) he apologized to the audience for not being able to have a question and answer period at the end of his speech.

He left the building about 15 minutes after his speech ended, being driven to O'Hare Field by [redacted] in Mr. [redacted] car and accompanied by [redacted] and Lt. [redacted]

b6
b7C

He advised those standing near the car to say goodbye to him that he hoped to be able to arrange in the future to get into Chicago more often.

Inasmuch as the persons whose names appear in exhibits all seem to be active in the White Youth Corps, it is suggested that each office conduct preliminary investigation of each, such as check of indices, credit and criminal checks, and background investigation to establish identities and activity with White Youth Corps. It is recognized that most of these people will be teenagers, but it is felt that at least preliminary investigation of their activities is warranted to give the field a better idea of the extent of Nazi type activity.

FEDERAL BUREAU OF INVESTIGATION

1

Date November 26, 1963

[redacted]
Chicago, Illinois, advised that he is currently a member of the American Nazi Party (ANP) at Chicago and since July, 1963, in the absence of Captain [redacted] Officer in Charge of the Chicago unit, he has been the acting head of the ANP in Chicago. [redacted] advised he has no title and is serving only on a temporary basis since it is anticipated that within approximately thirty days the national headquarters of the organization at Arlington, Virginia, will assign either [redacted] or a new leader to the Chicago post.

[redacted] stated that his interest in the ANP began in approximately January of 1961. He explained that he had read of the existence and activities of the organization and developed an interest since, based on what he read, many of the ANP views coincided with his.

[redacted] stated that since he originally came into contact with the ANP he has maintained a continuing interest in that organization not only as a member but has attended meetings of that group and participated in their activities.

b6
b7C

[redacted] stated that the ANP today is a political organization promoting national socialism. The Chicago unit is absolutely an affiliate of the American Nazi Party in Arlington, Virginia. The organization, he stated, depends solely on contributions from the membership and its friends for financial support. Originally he advised the group collected dues from its members on a regular basis. However, over the months they "slipped away" from this practice. It is anticipated that they will again begin to collect dues monthly from the members.

[redacted] stated that the organization as a whole has been rather inactive lately because of numerous court cases in which the leadership of the Party and its members are presently involved. This condition of inactivity exists particularly in Chicago for a number of reasons, one being the "pressure brought to bear" on the organization here, another the fear of the membership in being arrested and losing their jobs.

On 11/20/63 at Chicago, Illinois File # 105-13900
by SAs ROBERT J. DOLAN and [redacted]/BJD Date dictated 11/26/63

CG 105-13900

[] cited as an example of the "pressure brought to bear" the recent action taken by the City of Chicago in bringing numerous building violations against their headquarters. He said this action caused them to give up their building.

He continued that he would like to have the organization become fully active again. He expressed his desire to have the membership demonstrate against meetings of "communist fronts" and against the various civil rights movements. Their big obstacle at this time, [] stated, is the inability of the members to pay fines if they should be arrested as a result of their Party activities.

[] stated that he fully subscribes to the program of the ANP as it exists today. He said it is the Party's aim to place representatives in the various political positions about the country and finally to have a Party representative in the White House by 1972.

b6
b7C

[] stated that the Chicago organization presently consists of approximately 14 "hard core" members. By this, he stated, he referred to persons who regularly attend meetings, furnish whatever financial assistance they can, and will participate wherever possible in public demonstrations. He stated that it is the desire of the local organization to build this number of "hard core" members and with the arrival of the new leader from Arlington, it is hoped this organizing will get underway.

[] stated that the Chicago unit at one time utilized a front group known as the "Fighting American Nationalists". This was to provide a level of membership for those persons who could not participate in the activities of the ANP for one reason or another. In addition, there existed at one time a group known as the White Youth Corps which also provided a level of membership for the young men in the area who because of their age could not become members of the ANP. Neither of these groups existed as actual organizations but rather as a part of the ANP itself. Both are now out of existence and no plans are presently had to reactivate them.

Chicago, Illinois
September 29, 1963

On September 29, 1963, at 8:00 P.M. a meeting of the American Nazi Party was held at the temporary headquarters located at 1808 West Warner Avenue. Those attending this gathering were:

[redacted] told the group about the distribution of the W.A.L. (the White American League) which is, in reality, a front group of the American Nazi Party. He said that on the previous night, one thousand of these petitions were given out. The object of the petitions were for the repeal of the Open Occupancy Bill. The area worked was 57th and Morgan. More petitions were to be put out on the following evening. (Area Unknown) b6 b7C

It was also stated that the loop office (mentioned in the previous report) would be gotten this week or next.

The weekly confidential report was read in part to the assembled members telling how two American Nazi Party members in Los Angeles shook up BARRY GOLDWATER's big scene by showing off to everyone a huge banner stating that he (BARRY GOLDWATER) favored race mixing. The reaction apparently caused much consternation and barely escaped the wrath of his angry supporters. (These fellows were not in uniform.)

Also this newsletter claimed that the Birmingham church bombing was a "plant."

[redacted] closed the meeting saying that there was to be a big meeting to be held next Sunday night, October the 6th. Each member was given a number of the petitions for distribution.

No further business was transacted.

The above source also furnished one copy of a petition entitled "Repeal Open Occupancy" which according to the source was issued by the American Nazi Party in the name of "White American League," Post Office Box 6253, Chicago 80, Illinois. Records of the Postal Inspector, New Post Office Building, reflect that Post Office Box 6253, Chicago 80, was rented November 6, 1962, by [REDACTED] Chicago, in the name of the White Youth Corps, 2124 North Damen Avenue, and is still so held. The petition is filed as 157-3-1A141.

FIGHTING AMERICAN NATIONALISTS, NEW YORK CITY

On May 8, 1963, Detective [redacted] Bureau of Special Services, New York City Police Department, advised that Fighting American Nationalists (FAN) first made an appearance in New York City, in October, 1960, when a small group picketed against JOHN F. KENNEDY, then a presidential candidate.

b6
b7C

On June 13, 1963, a source advised that FAN, New York City, was dissolved in May, 1963, and in its place the American Nazi Party (ANP), New York Division, headed by [redacted] former head of FAN, New York City, was formed. This source stated that the ANP, New York Division, would follow the same policies as FAN, New York City, but would operate more openly with the use of the swastika and publicize its association with GEORGE LINCOLN ROCKWELL's ANP in Arlington, Virginia.

On October 17, 1963, a second source advised that plans which had been made to reinstitute FAN, New York City, had been abandoned. The reinstitution of FAN, New York City, had been planned for the purpose of attracting those individuals in sympathy with the policies of the ANP, but reluctant to expose themselves publicly as ANP members.

The second source stated that even though FAN, New York City, had been dissolved, Post Office Box 49, New York 9, New York, is still open in the name of FAN, New York City.

Referenced Minneapolis letter to Portland dated 12/10/63, furnished background data on individuals believed to be relatives of [redacted]. It was noted that records of the Credit Bureau at Grand Forks, North Dakota, revealed that [redacted] (believed to be the mother of [redacted] [redacted] who resided at [redacted] Grand Forks, North Dakota, moved on 12/10/62, to [redacted] Portland, Oregon.

The following information was obtained from Portland files and current investigation:

On 11/27/63, Mr. [redacted] a teacher at John Marshall High School, 3905 SE 91st Ave., Portland, made available to SA [redacted] three pamphlets captioned "Spearhead," with sub-caption "...a nationalist movement that believes in getting things done," which were received by him through the mail, the envelopes bearing the return address of "Spearhead, [redacted], Portland, Oregon." Mr. [redacted] related that he believed this material, noted to be anti-Semitic and anti-Negro in character, was mailed to him by [redacted], a former student of Mr. [redacted] graduated from John Marshall High School in June, 1962, and whose residence address is [redacted]. The first material received by Mr. [redacted] was postmarked at Portland, 10/16/62, and the remainder was received several days later, the envelope for which he inadvertently did not retain. It was noted the second mailing of "Spearhead," like the first was undated and mimeographed. At the bottom appeared the typewritten name [redacted] Spearhead." Below, beside the designation, "officers," appeared the name "Mr. [redacted] Editor, Nationalist Newsletter." A mimeographed letter accompanying one copy of "Spearhead," and addressed "Dear American Friend," was anti-Semitic, referring to an alleged quotation that "...today 300 Jewish financiers rule the world." The letter noted that thanks to a friend "we" have become the owners of a duplicating machine, but "unfortunately" money in the treasury is lacking to buy the supplies and to make a few simple repairs. The amount needed is indicated as "\$15.00", contributions for which are solicited. This letter is over the signature of [redacted] Spearhead."

Mr. [] referred to [] as a maladjusted youth, of "lone-wolf" tendencies, strongly anti-Semitic in his views as well as anti-Negro to a lesser extent, and an admirer of GEORGE LINCOLN ROCKWELL. Height	Six feet
Weight	163 lbs.
Complexion	Light

Hair	Dark brown
Social Security Number	[redacted]
Selective Service Number	[redacted]
Marital Status	Single

With reference to [redacted] Special Investigator, Portland School System, 631 NE Clackamas St., Portland, on 2/15/63, advised SA [redacted] that according to school records, [redacted] Portland, born 3/25/47, at Grand Forks, North Dakota, the son of Mrs. [redacted] is a student at Franklin High School, Portland. Mr. [redacted] stated it appeared [redacted] is a sophomore this year. Mr. [redacted] noted that school records contained no record of an unfavorable character relative to [redacted] b6 b7C

It is noted an investigation was conducted with reference to [redacted], Portland, in 1959, as a result of a complaint received relative to an order placed by him with a print shop, for the printing of a letter addressed "To All Members of Congress," which was strongly anti-Negro, anti-desegregation and anti-communist, and over the name of the "Order of Patriotic Americans, P. O. Box 433, Oswego, Oregon." [redacted] was determined at that time to be in his late sixties and his occupation was unknown. It was ascertained that use of the mail box above-indicated had been very limited.

Rev. [redacted] currently listed in the Portland telephone directory at [redacted], was the subject of considerable investigation conducted in 1958 and early 1959, as a result of his name having appeared in the October, 1958, issue of "The Thunderbolt," official publication of the National States Rights Party (NSRP), then headquartered at Indianapolis, Indiana. [redacted] name appeared under the caption, "NSRP,

PD 157-196

News Notes, Directory of Party Units," as follows: "NSRP of Oregon, Rev. [redacted] Chairman, 4740 N.E. 99th St., Portland 20, Oregon." It was ascertained that [redacted] was born [redacted] at [redacted]. Over the years he engaged in various types of employment, his efforts being directed in 1958, towards the sale of roofing materials, as well as picking apples. He has represented himself in the past as a preacher and evangelist, at which activity he was reported as not overly successful because of his outspoken attitude on racial issues and political views. [redacted] in 1958 endeavored to organize an NSRP unit in Portland but his efforts were not productive. There has been no indication of any further efforts in regard to NSRP since that time. His wife for several years has been employed as a waitress, and reportedly has not shared his political views.

On 1/2/63, Officer [redacted] Intelligence Unit, Portland Police Dept., advised that there was no record of any of the persons above-named in the files of that unit to indicate that any activity of these persons had ever been reported. b6 b7C

It is noted that other than as above-indicated the Portland Office has no information concerning any of the persons named, with the exception that in early February, 1962, a letter to the editor appeared in the Oregonian, Portland daily newspaper, over the name of [redacted], in which the writer reviewed the case involving "Maj. Gen. Walker." He noted that as a high school student he was taught that all men have equal rights, but indicated such was not the case with regard to Gen. WALKER. He lauded the release of Gen. WALKER as one of America's "most courageous patriots."

On 1/6/64, Det. [redacted] advised SA [redacted] that he had contacted Rev. [redacted] on 1/6/64, in connection with another matter at which time [redacted] related that [redacted] was a member of the NSRP and [redacted] stated that meetings are held periodically at private residences, attendance at which is by invitation.

The following investigation was conducted by SA [redacted] on 1/13/64, at Eugene, Oregon:

[redacted] Eugene Police Dept., made available a report which set out that [redacted] (Lorraine Highway), Eugene, was on 4/13/60, questioned concerning a stick of dynamite having been found in his locker at Jefferson.

PD 157-196

Junior High School in Eugene. He had related that he had prior thereto been approached by members of the "Swastika Gang" at that school, to join it. He said he had not done so but on 4/12/60, had found a note in his locker which was recalled to state, "Bring dynamite for the organization and leave it in your locker in a paper sack." Through a friend whose parents had dynamite for blasting stumps, he obtained the dynamite and put it in his locker. Another student had seen it there and had reported it to the school principal.

[] had related that [] then age 15, was "Fuhrer" of the gang and second in command was [] then 15 years old, who was [] locker partner. He said the gang wrote notes in code, passed them around at recess and had meetings during noon hour. So far as he knew the club was organized "just for something to do." Some papers, not described, which he had obtained from [] were turned over to the Eugene Police Dept.

School authorities informed the Eugene Police Dept. that [] was considered a quiet introverted boy, then aged 14, and his mental balance was questioned. The school authorities indicated they planned to ask the Lane County Juvenile Dept. to give [] counseling and provide psychiatric help for him if possible. The "Swastika Gang" papers obtained from [] were turned over by the school to the Lane Juvenile Dept.

b6
b7c

[] was recalled by Det. [] Eugene Police Dept., to have been interviewed by him in 1960 concerning the Swastika Gang. [] admitted he was organizer and leader of the group but refused to name members. He admitted having drawn up the gang's rules and to have made the sketch of Hitler and to have written other papers received by the Eugene Police Dept. from [] He disclaimed any information as to why [] had the dynamite. He expressed great admiration for Nazism and wanted to argue with Det. [] about it. He seemed very well read on the subject and was recalled to have said that EICHMAN, who had not yet been found in Argentina, was no doubt in that country.

Det. [] further recalled that two or three years later he was advised by South Eugene High School officials that a locker check there had disclosed a number of books on Hitler and Nazism in [] locker. School authorities had mentioned at the time that [] possesses a high I.Q.

PD 157-196

but spent so much time on the study of these books that his school work suffered. [] has had several arrests by the Eugene Police Dept. for minor offenses. His address in 1963 was []. His fingerprint classification is 24 L 9 T -00 16 .
M I U IOO

[], Lane County Juvenile Dept., stated his records show [] was made a ward of the juvenile court, 6/13/60, and terminated 5/17/62. [] only referral to the department had been in connection with the dynamite incident. The "Nazi" papers reportedly turned over to that department by the Eugene Police Dept. were not in file and there was no reference to them. [] had told his counselor that he wanted to make friends, had sought membership in the gang and the dynamite incident was considered a test for him before membership. He had also once taken his father's unloaded pistol to school. In 1960 he was six feet, 120 lbs., thin, freckled, red haired. The psychologist at the juvenile department described him as "seriously disturbed" mentally and tentatively classed him as having "schizophrenic reaction." He was born [] at [] His parents are [] and [].

WHITE YOUTH CORPS
RACIAL MATTERS

On November 30, 1961 a confidential informant advised that one [redacted] an associate of the American Nazi Party (ANP) in the Chicago, Illinois, area, had started a new organization to be known as the White Youth Corps, the aims and purposes of which were set forth by [redacted] in a "Draft for the Program of the White Youth Corps". This leaflet, dated October 27, 1961, reads as follows:

b6
b7c

"The White Youth Corps stands ever as a guard for the White Race. This Nation was founded by White People for White People and if we are to be worthy of our heritage we must stand UNITED against every effort to mongrelize our people.

"The White Youth Corps believes in the Constitution AS IT IS WRITTEN for those who wish to benefit by it, not for those who wish to DESTROY it.

"The White Youth Corps believes that we must EXPOSE, FIGHT and OUTLAW Communism.

"The White Youth Corps believes that everyone should be entitled to have property of their own without interference from the Government and that Free Enterprise is essential to American Heritage.

"The White Youth Corps believes in Morality and Decency among the Youth and around places in which they gather.

"The White Youth Corps believes that we should place MEN in our Government, NOT spineless traitors who set bad examples for our Youth.

RE: WHITE YOUTH CORPS

"The White Youth Corps believes in lawful Segregation of the White and Black Youth of our Nation to the most complete and beneficial extent possible.

"The White Youth Corps demands a thorough investigation of ALL student groups known to have Communist or pro-Communist leanings and prosecution of all leaders of such groups.

"The White Youth Corps believes that we cannot 'co-exist' with a dedicated enemy and that Communism should be fought wherever it appears, whether it be in the streets or in the classroom IT MUST BE STOPPED. It must not be allowed to EXIST AT ALL!

"The White Youth Corps believes in Physical fitness as a must to maintain a good stock of American Youth ready to defend their Nation's enemies.

"The White Youth Corps believes the Great White Race has a RIGHT and REASON to live. Our Race has exclusive right to this Continent. God created the Great White Race and blessed it with more intelligence and virtues than any other race and the White Youth Corps does not intend to let anything destroy it. We refuse to allow our precious White Youth to be sacrificed upon the altar of Race-Mixing.

"The White Youth Corps demands that the Government STOP the illegal tide of Immigration and Bar and DEPORT known pro-Communists from positions where they may fan the flame of Revolution -- the press, the radio, MOVIE PRODUCTION STUDIOS, above all, labor unions. Doubtless a law outlawing Communism would cover this requirement."

RE: WHITE YOUTH CORPS

On January 24, 1962, [redacted] Captain, ANP, and Commander of the Chicago branch of that organization, advised that he [redacted] was responsible for establishing the White Youth Corps for the purpose of recruiting high school students into the Fighting American Nationalists (FAN). [redacted] stated that he had placed [redacted] in charge of that organization and that at that time it consisted of six members, all of whom were also members of the FAN. [redacted] stated that in addition to [redacted] other members were [redacted] age 16, and one [redacted] (Last Name Unknown), a friend of [redacted]. He disclaimed ability to recall the identities of other members. [redacted] stated that in the spring of 1962, he plans a wide dissemination to Chicago high schools of ANP literature through the White Youth Corps.

b6
b7c

On January 26, 1962 a second confidential informant advised that the White Youth Corps, a group set up within the Chicago branch of the ANP, utilized an address of Post Office Box 4657, Chicago 90, Illinois.

On March 23, 1962 [redacted], previously mentioned, advised that the White Youth Corps is a group established by him within the framework of the ANP in Chicago to provide for admission into their ranks those individuals who, because of their age, are not at the time acceptable for membership in the ANP. [redacted] stated that it is anticipated that members of the White Youth Corps, when they meet age and other requirements, will be accepted into the FAN or the ANP. At this time, [redacted] stated, no meetings composed solely of White Youth Corps members are held.

On May 22, 1962 Eathina Kochl, Jr., Lieutenant, ANP, and second in command of the Chicago branch of that organization, advised that the Chicago branch of the ANP continues to operate as a branch unit of the ANP, headquartered in Arlington, Virginia. He stated the Chicago branch is to a degree autonomous, though it remains subject to the organization's national commander, George Lincoln Rockwell, and to the ANP national headquarters for final authority. In

RE: WHITE YOUTH CORPS

this regard, Koehl stated, most decisions regarding operation and practice of the Chicago branch are made locally, but are subject to the vote of the national organization.

Koehl stated that all operations in the Chicago area are now carried on under the banner of the ANP. Previously, he stated, a certain element of their membership was assigned to the FAN, a "front group" of the ANP. Koehl stated the purpose of the FAN was to provide the young, inexperienced individuals with organizational training and certain indoctrination into National Socialism. In recent weeks, all activities have slowly been consolidated in the ANP operations and the FAN has ceased to exist in Chicago.

Regarding the White Youth Corps, Koehl stated such was an idea of [redacted] and [redacted] Each did not exist as an organization per se, but rather was a level of affiliation with the FAN and the ANP, specifically for the young element unable to actually be accepted into membership because of their age. The White Youth Corps, Koehl stated, is also out of existence since [redacted] has fully affiliated himself with the ANP and because [redacted] and [redacted] are now in the custody of juvenile authorities.

b6 -
b7C

On February 15, 1962 [redacted] previously mentioned, identified [redacted] as a member of the ANP and [redacted] and [redacted] as members of the FAN in Chicago, Illinois.

The first confidential informant advised as of May 17, 1962 the White Youth Corps was no longer in existence since its "mainstay", [redacted] was held in the custody of juvenile authorities in Joliet, Illinois. This is apparently the last that will be heard of the White Youth Corps,

RE: WHITE YOUTH CORPS

at least in the Chicago area. All operations are now conducted within the framework of the ANP.

The second confidential source advised on October 25, 1962 that no attempt has been made to re-organize the White Youth Corps in Chicago, Illinois and apparently all operations are now carried out under the banner of the ANP.

On January 4, 1963 the third confidential source advised that according to information received, the White Youth Corps, which was formerly affiliated with the ANP, as a youth division, is being re-organized after a temporary cessation of activities. Activity within the White Youth Corps ceased shortly after March, 1962 when members of that organization were arrested following their participation in a picketing demonstration at the State-Lake Theater, Chicago.

Included in this demonstration and also arrested were members of the ANP. As a result of this arrest, a charge of contributing to the delinquency of a minor was considered and the ANP was so informed. This charge was not placed against the leaders of the Chicago Branch ANP, but fear that at some future date it would be used caused some discomfort to George Lincoln Rockwell, National Commander of the ANP, and other leaders of the organization, and a conference was subsequently held at the Chicago Office of the ANP concerning the future of the White Youth Corps. As a result of this conference, Rockwell ordered the disassociation of the youth element from the ANP. In addition as a result of this arrest, he ordered that no person under the age of 18 years can be considered for membership in the ANP, nor can a person under the age of 18 years be permitted to attend meetings of that organization, nor can a person under 18 years of age be extended permission to pass beyond the first floor of the headquarters building at 2124 North Damen, Chicago, Illinois.

RE: WHITE YOUTH CORPS

This source stated that former leaders of the White Youth Corps, namely [redacted] and [redacted] are no longer associated with the White Youth Corps; [redacted] because of his arrest and disassociation with the group, and [redacted] because of his acceptance into the ANP.

This source advised that although the new White Youth Corps will reportedly not be considered a part of the ANP, they propose to utilize office space at the ANP headquarters in Chicago. They will also receive legal advice from the ANP, although according to the Chicago leadership, it is not the intention of the ANP to make decisions regarding policy procedures for them and in no way dictate plans or suggestions to them.

Membership of this organization is to be confined to individuals between the ages of 14 years and 18 years of age.

The identities of leaders of the new White Youth Corps, source stated, have not as yet been established nor have plans of the organization been specifically set.

On February 17, 1963 the second confidential source advised that a small group of high school-age boys has recently held meetings at the headquarters building, Chicago Branch, ANP, 2124 North Damen Avenue, Chicago, Illinois. The frequency of such meetings, the source stated, is unknown. One [redacted] presently in the so-called "National Commander" of this group. Membership, the source stated, consists of but three or four boys and source has no indication that this group has activity or membership extending beyond the Chicago area. It is most obvious, source stated, that the ANP wishes to show that this organization is entirely independent of the ANP; and, that members of the White Youth Corps are not allowed to attend meetings or functions of the ANP. Likewise, members of the ANP are not permitted at functions of the

b6
b7C

RE: WHITE YOUTH CORPS

White Youth Corps. Source continued that the aims and purposes of the organization are unknown. They have apparently engaged in no public activity since March, 1962, at which time members of the former White Youth Corps organization were arrested following a public demonstration.

On February 10, 1963, the third confidential source advised that inquiry to date has developed no additional information regarding the extension of membership or activities of the White Youth Corps. Source stated that it appears that despite the denunciations of Commander Rockwell regarding the association of this organization and the ANP, the White Youth Corps is nevertheless affiliated with Rockwell's organization.

The first confidential source advised on October 10, 1963 that it has recently been learned that the so-called leader of the White Youth Corps, which for all intents and purposes is not functioning in Chicago, one [redacted] who is also known as [redacted] is now in the United States Army stationed at Fort Knox, Kentucky. The future of the White Youth Corps, if any, is unknown.

b6
b7C

The first confidential source advised on January 14, 1964 that the White Youth Corps no longer exists in the Chicago, Illinois, area. All operations conducted by the ANP in Chicago are carried on under that organization's name only. At one time or another in past months teenage individuals have proclaimed themselves as "leader" of the White Youth Corps although no organization as such actually existed.

On January 14, 1964 the third confidential source advised that the White Youth Corps is no longer

RE: WHITE YOUTH CORPS

in existence in Chicago. No information has developed, to source's knowledge, to indicate the possible re-organization of this organization at this time or in the future. Source stated that apparently the White Youth Corps was more an idea "on paper" than anything else.

AMERICAN NAZI PARTY OF THE WORLD UNION OF FREE ENTERPRISE NATIONAL SOCIALISTS, ALSO KNOWN AS THE GEORGE LINCOLN ROCKWELL PARTY

In his book "This Time the World," copyrighted in 1961, GEORGE LINCOLN ROCKWELL identified himself as Commander, American Nazi Party of the World Union of Free Enterprise National Socialists (ANP - WUFENS), Arlington, Virginia.

The April 4, 1963, issue of "The Richmond News Leaders," a Richmond, Virginia, daily newspaper, reported that GEORGE LINCOLN ROCKWELL had, on the previous day, again applied for the American Nazi Party to be chartered in the State of Virginia, but this request was turned down by the Virginia State Corporation Commission. This action was taken pursuant to an act of the 1962 Virginia Assembly which prohibits the use of "Nazi" or "National Socialism" in a Virginia charter. This article further pointed out that ROCKWELL's party is presently chartered in the State of Virginia as the George Lincoln Rockwell Party.

On August 19, 1963, a source advised that the ANP-WUFENS was organized by GEORGE LINCOLN ROCKWELL at his residence in Arlington, Virginia, on February 26, 1959, as an international "National Socialist" movement based on the German Nazi Party headed by Adolf Hitler. He added that ROCKWELL is the dominant force and personality in this party; that he is espousing a "line" of hatred against the Jews and Negroes; and that he is seeking, through speeches, distribution of literature and picketing, to establish a cohesive and dominant political party in the United States and in foreign countries.

On December 13, 1963, this source advised that in about September, 1960, the ANP initiated the Fighting American Nationalists (FAN) as a front group for the ANP although it has never been a separate organization. He said the FAN name is merely used on occasion instead of the ANP name and there are no separate officials for FAN, the FAN officials being identical with the ANP officials. He stated that GEORGE LINCOLN ROCKWELL has informed him the FAN name was originally used as a device to attract supporters to his organization who might rebel at the use of the swastika and at being labeled as a Nazi.

He added that the ANP has operated under the FAN name throughout the country with the exception of a group operating under the FAN name in Baltimore, Maryland. He said the FAN group in Baltimore is now, and always has been, a separate organization and not a part of the ANP.

On October 3, 1963, [redacted] the admitted former director of the FAN group in Baltimore, Maryland, advised that the Baltimore FAN, which was organized in the Spring of 1961, has no official connection with the ANP although until December, 1962, it received all of its literature from GEORGE LINCOLN ROCKWELL's ANP.

APPENDIX

According to the "Stormtrooper's Manual," an official publication of the ANP, the phases of ANP struggle for power are fourfold, namely, first "to make ourselves known to the masses;" second, "the dissemination of our program and the truth about the Party;" third, "organizing the people who have been converted to our propaganda;" and fourth, "that attainment of power through the votes of the newly-won masses."

AMERICAN NAZI PARTY
MIDWEST DIVISION, CHICAGO, ILLINOIS

A source advised on November 14, 1960, that on that date a meeting was held in Chicago, Illinois, for the purpose of organizing a Chicago unit of the American Nazi Party (ANP) which maintains headquarters in Arlington, Virginia. George Lincoln Rockwell, National Commander, ANP, took charge of this meeting.

On May 22, 1962, Matthias Koehl, self-identified as lieutenant, ANP, Chicago, advised that the ANP in Chicago is to a degree autonomous although it remains subject for final authority on George Lincoln Rockwell and ANP National Headquarters.

On January 15, 1963, [REDACTED] then a lieutenant, ANP, Chicago, advised that the Chicago headquarters of the ANP controlled the activities of the organization in the States of Illinois, Indiana, Iowa, Michigan, Minnesota and Wisconsin. b6 b7C

A second source advised on February 6, 1963, that as of January 31, 1963, the Chicago unit of the ANP became known as the Midwest Division, ANP.

The first source advised on June 3, 1963, that as of that date the Midwest Division, ANP, vacated their headquarters which they had formerly maintained at 2124 North Damon Avenue, Chicago, Illinois, and henceforth meetings of that organization would be held in the residences of the organization's members.

APPENDIX

FIGHTING AMERICAN NATIONALISTS
CHICAGO, ILLINOIS

A source advised on April 10, 1961, that the Chicago Branch, Fighting American Nationalists (FAN) was established at Chicago, Illinois, in November, 1960, as a "front group" of the American Nazi Party (ANP). Source stated the expressed purpose for establishing the Chicago Branch FAN was to create a "training ground" for ultimate membership in the ANP.

Source stated that as of February 1, 1961, the Chicago Branch FAN was headed by [redacted] Illinois Commander, ANP, who is assisted by MATTHIAS KOEHL, JR., Illinois Secretary-Treasurer, ANP.

b6
b7C

On May 23, 1962, MATTHIAS KOEHL, JR., self-identified Lieutenant, ANP, Chicago, Illinois, advised that as of that date, all operations in the Chicago area are now carried on under the banner of the ANP. Previously, he stated, a certain element of the ANP membership was assigned to the FAN, a front group of the ANP. KOEHL stated the purpose of the FAN was to afford the young, inexperienced individuals in their group with organizational training and certain indoctrination into National Socialism. In recent weeks all activities have slowly been consolidated into the ANP operation and the FAN organization has ceased to exist in Chicago, Illinois.

WHITE YOUTH CORPS
CHICAGO, ILLINOIS

A confidential source advised on November 30, 1981, that one [] an associate of the American Nazi Party (ANP) in the Chicago, Illinois area, had started a new program to be known as the White Youth Corps (WYC).

b6
b7C

On May 23, 1982, MATTHIAS KOEHL, JR., then a Lieutenant in the ANP and second in command of the Chicago Branch of that organization, advised that the WYC did not exist as an organization per se but rather was a level of affiliation with the ANP specifically for the young element unable to actually be accepted into membership because of their age. The WYC, KOEHL stated, was no longer in existence.

On January 4, 1983, a second confidential source advised that WYC was then being reorganized. The organization reportedly will not be considered a part of the ANP, although they propose to utilize office space in ANP headquarters and they will receive legal advice from the ANP. Membership in the new WYC will be confined to individuals 14 to 18 years of age.

On February 13, 1983, the second confidential source mentioned advised that nothing has developed to indicate an extension of membership or activities of the WYC. Source stated that it appears that despite denunciations of GEORGE LINCOLN ROCKWELL, National Commander, ANP, regarding the association of this organization and the ANP, the WYC is nevertheless affiliated with that organization.

It is noted that all information developed or received by the Chicago Division regarding captioned organization has been furnished to appropriate Chicago police authorities.

The Philadelphia Division, by referenced communication, suggested each office conduct preliminary investigation of individuals identified in Philadelphia letter to establish identities and activities with the White Youth Corps. Such preliminary investigation was suggested to give the field a better idea of the extent of Nazi-type activity. In view of information contained in attached letterhead memorandum specifically, that no

CG 105-12114

White Youth Corps does in fact exist in Chicago, this office does not contemplate investigation of individuals identified in referenced communication. Appropriate dead files exist for these individuals so that information now available or that to be received at a later time will be properly maintained. Since the White Youth Corps was never an organization per se but rather an element of the American Nazi Party (ANP); and, since the individuals identified in Philadelphia letter are not considered officers of the ANP or persons whose activities in that organization warrant specific investigation, it is believed that further inquiry regarding the White Youth Corps or the individuals named is not warranted at this time. Since the activities of the ANP are in themselves subject to current investigation and are covered by established sources and informants, activities of the White Youth Corps, if any, will be included in inquiry conducted regarding the ANP. Any independent activity on the part of the White Youth Corps, should such develop, will be immediately brought to the Bureau's attention by Chicago.

Should indications develop that the White Youth Corps is operating separately and distinct from the ANP, an investigation of that group will be immediately considered and a recommendation will be submitted to the Bureau.

Information on January 24, 1962, from [redacted] Chicago, was received by SAs JOHN W. TOEDT and LELAND G. RICHIE.

The WYC is characterized in the Appendix.

On December 3, 1963, a second confidential source advised that [redacted] met with other members of the American Nazi Party (ANP), at 14th Street and Fourth Avenue, New York City, on Saturday, December 29, 1962. In conversation with these ANP members, [redacted] expressed himself as being intellectually curious about various racist groups. He stated, however, he disagrees with racism and anti-Semitism. He claimed to have visited various racist organizations in the New York area; that he was only interested in determining what they preach and whether they were justified in believing what they preach.

Besides racist organizations in New York City, Leake claimed also to have visited the Communist Party and the Socialist Workers Party. [redacted] did not express any interest in joining the ANP. The Communist Party and the Socialist Workers Party have been designated pursuant to Executive Order 10450.

The ANP is characterized in the Appendix.

A third confidential source made available, on October 28, 1963, a leaflet entitled, "Towards a Revolutionary Opposition", purportedly published by the Revolutionary Opposition Group of New York, July, 1963. The leaflet described the Revolutionary Opposition Group (ROG) as a "group of student radicals and libertarians ... The Revolutionary Opposition opposes all forms of exploitation and oppression and recognizes that the basic instrument of political oppression is the state and its underlying institutions. The Revolutionary Opposition recognizes the fundamental class nature of society and looks toward a militant and conscious working class as the single most potential revolutionary force in society, as the basis for social reconstruction." One of the immediate objectives of the ROG was the "building of a revolutionary youth movement."

The leaflet was signed, "New York Group, Revolutionary Opposition, c/o Leake, 208 East 78th Street, New York 21, New York.

The first confidential source advised on July 18, 1963, [redacted] of Wallasey Cheshire, England, on April 2, 1963, was in communication with [redacted] National Commander, WYC, Chicago. Read advised [redacted] that he had received a publication called "The International Nazi Fascist", published by Dan Burros, Suite 536, 152 West 42nd Street, New York 36, New York.

b6
b7C

During an interview with Daniel Burros on January 16, 1963, at New York, New York, by a Special Agent of the Federal Bureau of Investigation, Burros advised that "The International Nazi Fascist" is a newsletter he occasionally published from Suite 536, 152 West 42nd Street, New York 36, New York. Burros advised that this newsletter serves no serious purpose, but merely enables him to stay in touch with various Fascist groups throughout the world, an endeavor in which he is vitally interested.

White Youth Corps

During the above interview with Burros on January 16, 1963, he furnished the following information concerning himself. He is a white male, American, born March 1, 1937 at Bronx, New York, and currently resides at 111-58 119th Street, South Ozone Park, Queens, New York. He is employed as a printer with the Blue Ribbon Printing Company, 108 Park Row, New York, New York.

Burros admitted that he had formerly been a member of the ANP in Arlington, Virginia, but in 1961 broke away from the ANP and came to New York City where he helped form the American National Party. In September, 1962, he resigned from this latter group due to a disagreement.

Burros further advised that since resigning from the American National Party, he has rented space at Suite 536, 152 West 42nd Street, New York 36, New York. This is really only a mail answering service through which he remains in contact with various Neo-Nazi type groups in Europe and occasionally publishes "The International Nazi Fascist." He has also had some recent correspondence with George Lincoln Rockwell, the self-proclaimed leader of the ANP. Burros advised that although Rockwell remains friendly to him, Rockwell has informed him that he, Burros, can never regain re-entry into the ANP because of the existing animosity between Burros and other ANP members.

A characterization of the American National Party is attached.

All confidential sources utilized in this communication and in the attachments have furnished reliable information in the past.

The source stated that the original purpose behind the formation of the American National Party was to be openly anti-communist and attract other anti-communists who could be gradually converted to anti-semites, thereby expressing the true sympathies of the American National Party.

The source stated that the American National Party maintains a "mail drop" at Post Office Box 191, Gracie Station, New York 28, New York, but has no actual headquarters.

Lodge Motel, 1506 Richmond Highway, Alexandria, Virginia,
voluntarily provided the following information:

Resignation From the American Nazi Party

He officially resigned from the American Nazi Party (ANP) on December 8, 1963, but had informed George Lincoln Rockwell, self-styled National ANP Commander, as early as October, 1963, that he intended to leave the organization. At the time of his resignation, he was Deputy National Commander and was directly responsible for the operations at the ANP Barracks and at the ANP Headquarters building.

He still has an admiration for Rockwell and believes in the basic tenants of National Socialism which Rockwell espouses in the ANP but was unable to work with Rockwell in any sort of effective manner. He could, and did, discuss Party operations and procedures with Rockwell but was never able to get across to Rockwell the fact that an organization could not operate with any degree of success unless certain basic business procedures were invoked. For instance, the matter of finances was always a problem since Rockwell "spent all the funds which came in without taking into account an amount being set aside for emergency or future matters."

Rockwell is a "fighter" and is effective in presenting his ideas in a public forum, but he, by his indiscretion, alienates many people who would like to follow him. He "talks too much" about matters which have been given to him in confidence and has been known to reveal the identity of persons who have made contributions without first asking their consent to do so.

Re: American Nazi Party

Because of many differences of opinion with Rockwell, and because of the fact that Rockwell was "slowly dragging the ANP down", he decided to tender his resignation. He does not want to hurt Rockwell and will not become involved in any open arguments with him. He feels that Rockwell, although a "dictator" who seeks to demand "blind loyalty" from his officers and members, will always have a following since he is a loyal American who is "fighting for the rights of the white man". Rockwell sincerely believes in the principles which he has enunciated for the ANP and is involved in this activity as an intense crusader for these beliefs rather than for any personal glory or monetary gain.

Prior to his resignation from the ANP, he had not talked with anyone else in the Party except Rockwell. He did not try to "take anyone with him" and gave a short speech to the other members and officers the night he tendered his resignation. He told those assembled that he was leaving for personal reasons and that the ANP was a wonderful organization to which they should give their utmost support. He was, therefore, surprised when Captain [redacted] the editor of "The Stormtrooper" and the "Confidential Newsletter", official ANP publications, also resigned at the same meeting. After he left the Party, others started calling him to voice their dissatisfaction with the way Rockwell was running the Party. As a result of these discussions, [redacted] Floyd Fleming, [redacted] prepared a "petition for redress of grievances" which they presented to Rockwell. [redacted] another ANP member, also participated in the discussions and was the person who typed the "petition" although she did not sign it.

In this "petition" Rockwell was praised for his past efforts in behalf of the Party; was taken to task for his assumption of "dictatorial" powers and insistence upon "blind loyalty" from the Party officers and members; and was asked to alleviate the situation by agreeing to further discussions and the direction of Party affairs by a board of directors, the members of which he would be allowed to name. Several other "grievances" were not included in the "petition", however, it was not believed that Rockwell would actually agree to any change in his "sceptre of authority".

Re: American Nazi Party

Program of the American Nazi Party

The program of the ANP is divided into four phases, namely, (1) to become known (2) to educate the people to its beliefs (3) to organize the people who have been educated and (4) to obtain power through the efforts of the people won to its cause.

Rockwell has accomplished the first phase in that he has become known throughout the United States and throughout the world. There are a multitude of people in this country who inwardly support Rockwell in his fight for the white man and in his revelations of the evils and dangers of Communism, however, because of his use of the word "Nazi", and the "Swastika" in connection with his organization, they outwardly revolt against him and his program. It is believed, though, that within thirty years or so, U. S. citizens will accept the concepts of government promulgated by the German Nazi Party.

During the course of Rockwell's speaking tour through various cities and towns in the State of Virginia during the Summer of 1963 immediately preceding the civil rights demonstration in Washington, D.C., on August 28, 1963, he was well received. At most places where he spoke good crowds appeared and applauded his efforts to unite the white man "in a fight for survival". This was a start in the right direction and more speeches in Virginia and in other areas would have produced excellent results but Rockwell "dropped the idea" and started sporadic, ill-timed actions such as demonstrations and picketing which produced no progressive results.

Rockwell professes that he will be elected Governor of the State of Virginia in 1966 and will capture the office of President of the United States through an overwhelming vote in 1972. Both of these goals are "fantasies" of his imagination and he has no chance whatsoever of attaining either goal within any time in the future. Rockwell will keep fighting and he has a deep conviction in the rightness of his cause.

Re: American Nazi Party

Another "act for publicity" was his recent attempt to get on the ballot in the New Hampshire Presidential Primary. He knew he had no chance to accomplish this feat and used poor judgment in trying to get on the Democratic ticket anyhow since the "number of Democrats in New Hampshire is like the number of Republicans in Georgia." He would have made a better showing if he had attempted to get on the ticket as a Republican. Also, he picked an individual of poor character in [redacted] of Nashua, New Hampshire, to pledge him support as a delegate to the Democratic National Convention.

American Nazi Party Offices

The ANP National Headquarters in Arlington, Virginia, is the only operative office in the country at this time. The offices in New York City, Chicago, Illinois, and Jacksonville, Florida, have "folded" due to a lack of effective leadership. The office in Los Angeles, California, is ineffective and there is only one individual, namely, [redacted] who is involved in any sort of activity. Forbes, although he gives the appearance of leadership at times, cannot handle the job alone and is constantly harassed by complaints against his operations by the few persons who turn out for the meetings.

[redacted] were recently transferred from ANP Headquarters in Arlington, Virginia, to set up an office in Jacksonville, Florida. Neither of these individuals is qualified to open or run an ANP office and Rockwell used poor judgment in sending people of this caliber to an important assignment of this nature. [redacted] cannot read or write and [redacted] is just not the type of person to handle a "political" matter and to lead or direct people.

The ANP Headquarters building at 928 North Randolph Street, Arlington, Virginia, is owned by Floyd Fleming. Fleming has always given of his means toward various "right wing" organizations and movements. He has given funds to the ANP and has allowed the Party to use this building free of charge for quite a while, however, he has never been an actual member of the ANP and has not wanted to be publicly identified with it or with Rockwell. Fleming still believes in the "National Socialist movement" and the "supremacy

Re: American Nazi Party

of the white man", but he feels that Rockwell has mismanaged the ANP and has brought discredit on the movement which he professes to sponsor. Now Fleming's association with Rockwell is purely a business matter. He will let him use the building at 928 North Randolph Street only so long as the monthly rental is paid. He will not accept a smaller sum than \$100.00 per month and if this is not paid on time, he will take steps to have Rockwell evicted. This rent has been paid for the months of January and February, 1964.

Finances

Although he is aware of the identity of some of Rockwell's larger contributors, [] declined to name them since he said he did not want to do something like this to hurt Rockwell. However, he noted that most of the funds for ANP operations come from small contributions throughout the country. The largest single contribution has been \$1000.00 and others have been in denominations of \$500.00 and \$100.00, but contributions of this type have been extremely rare. When Rockwell first started his operations, [] b6 b7C made some large contributions, but [] now has an intense personal dislike for Rockwell because of some remarks Rockwell made in calling [] one of his "fat cats".

While [] was associated with Rockwell he received no money whatsoever for his work and had to live on approximately \$30.00 per month which he received from his parents who live in Tallahassee, Florida. In addition, he periodically gave some of this money to the Party. Other officers and members living at the ANP Barracks also lived on their own means and would give money from their meager resources to aid in the Party's operations.

[] a former member of the ANP who left the Party in late 1962, recently returned to the ANP Barracks and now has the rank of Probationary Trooper. He came from Bangor, Maine, and appears to have an independent source of income. When he was at the Barracks previously he had several hundred dollars which was spent mostly on "taking the boys out to dinner" in order to be impressive. He started drinking excessively and, in view of Rockwell's "oath against drinking" on the part of ANP

Re: American Nazi Party

personnel assigned to Headquarters, he was asked to leave. He returned to his home in Bangor, Maine, and came back as the result of a telegram from Rockwell after the recent resignations from the Party.

It is known that [] now has \$1700.00 in his possession. This fact is not known by Rockwell but when he finds out about it, he will "get it from []". The source of [] "bonanza" is unknown, but it is thought to be from legal activities.

Rockwell frequently "goes on trips" with only enough funds to purchase his ticket with the idea in mind that he will be able to obtain funds from unknown sources at his point of destination. He has been extremely successful in this endeavor and it has been infrequent that he had had to wire Party Headquarters for additional funds. For instance, when he made his trip to England a year or so ago he had only \$2.00 in his pocket in addition to the \$400.00 necessary for the transportation ticket.

American Nazi Party Officers

The current officers of the ANP are as follows:

George Lincoln Rockwell - National Commander
Major [] - Deputy Commander
Captain Matthias Koehl, Jr. - National Secretary
Lieutenant [] - Security Officer
Lieutenant [] - In Charge of Printing

American Nazi Party Members

In addition to the above officers, []
[] (recently
arrived from Jacksonville, Florida), []
(former member recently arrived from Bangor, Maine),
[] (new member from Rockport, Massachu-
setts), and [] to his knowledge, constitute
the remaining ANP members attached to ANP Headquarters.

Over the years since Rockwell has been in operation, he has been naive about the quality of his members. He tried to tell Rockwell on many occasions that particular individuals were of "low character" and should not be allowed to remain

Re: American Nazi Party

in the Party but Rockwell seemed to be impressed with quantity rather than quality. For instance [redacted] a former ANP member from Chicago, always appeared to him to "be away out", but Rockwell thought he was one of his best troopers until, on December 7, 1963, he learned through ANP member [redacted] and former ANP members [redacted] that [redacted] had made threats to kill him. This disturbed Rockwell to the extent that he had [redacted] arrested on this charge in Arlington County, Virginia. At his hearing the local judge signed an order committing [redacted] to the State mental hospital at Marion, Virginia, for observation.

[redacted] was subsequently released from this hospital and returned to Arlington County where he was then released by the court "for want of prosecution" since [redacted] and [redacted] did not appear in court as witnesses against him. [redacted] remained in Arlington for a few days and has now returned to his home in Chicago, Illinois.

On February 18, 1964, Mrs. [redacted] Deputy Clerk, Arlington County, Virginia, Clerk of Court, advised that [redacted] was committed to the State mental hospital in Marion, Virginia, by an order of the Arlington County Court on December 9, 1963. By letter dated January 29, 1964, the hospital authorities informed that [redacted] was not psychotic or insane and was mentally competent to stand trial. He was returned to Arlington County and on February 11, 1964, the case of "threat to kill" against him was nolle prossed since there were no complainants present in court to testify against him and he was released.

b6
b7C

The membership in the ANP has never been very large, probably three or four hundred members at the most at any one time. There have been several loyal supporters and members have quit their association with the ANP because of their mistrust of Rockwell.

Meetings

Regular ANP meetings are held at the ANP Barracks, 6150 Wilson Boulevard, Arlington, Virginia, each Sunday night which are open to the public, however, very few people outside the Party have attended these meetings. When [redacted] was with the Party, he presided at most of these meetings unless Rockwell had some special item which he wished to discuss. He would discuss issues with Rockwell outside these meetings but would never disagree with him before the "troops".

Re: American Nazi Party

Publications

The second edition of Rockwell's book, "This Time The World", is causing him some concern. Sufficient copies were not printed and he does not have the funds for additional printing. The individual orders for the book at \$10.00 each have been filled, but Rockwell has collected the money from an unknown publisher in California for about 2000 copies of the book and has not made delivery on this order since he does not have the books printed. According to the contract with this company, no specific time was set for delivery of the books and Rockwell says he "will cross this bridge when he comes to it" with respect to making actual delivery when the publisher starts pushing him for compliance.

American Nazi Party Front Groups

The ANP has never actually had any front groups or organizations as such. At one time the name Fighting American Nationalists was used just as another name for the ANP when it was desired, for reasons of strategy, not to use the ANP name. This name has not been used for some time by the ANP and is considered a "dead issue" by the Party.

The White Youth Corps was initially started by a "young fellow" in Chicago, Illinois, who thereafter started associating with some ANP members in Chicago. This caused people to think that this organization was an ANP front group but it was not. Then, after a while another young man by the name of Tom Bleming in Philadelphia, Pennsylvania, appeared to take over The White Youth Corps and he and [redacted] a member of the ANP, became involved in White Youth Corps activities. [redacted] who recently left ANP Headquarters for his home in Mississippi, did some of the work involved with the organization from ANP Headquarters and gave this as The White Youth Corps return address.

b6
b7C

The White Youth Corps is not now and never was a front organization for the ANP. He does not know anything about this group at the present time, but is of the opinion that it is "defunct" as any sort of organized activity.

Re: American Nazi Party

Formation of New Party

[redacted] Floyd Fleming, [redacted]
[redacted]

[redacted] all of whom are no longer with the ANP, have had several meetings for the purpose of forming a new party. It is expected that the program of this party will be ready within about two weeks and will be officially launched about the middle of March, 1964. The following tentative arrangements have been made:

Name: The White Party of America, Incorporated, will be the name of the parent organization and it will be incorporated in the District of Columbia where the central office will be located. In addition, there will be party groups in each state with the name of the state included in the title, e.g., the party group in Virginia will be The White Party of Virginia. b6 b7C

Offices: In addition to the headquarters office in Washington, D.C., the first offices will be located in Baltimore, Maryland, and Richmond, Virginia. The headquarters office will handle the nearby suburban areas of Virginia and Maryland.

Council: The party will be governed by a council, the current members of which are [redacted]

[redacted] and [redacted] The officers of the council are now as follows:

[redacted] Leader

- Deputy Leader

- In Charge of Publications and National Secretary

[redacted] - In Charge of Art Work

[redacted] In Charge of Uniformed People who will engage in demonstrations and picketing

Program: Details of the program should be available in the form of a leaflet which will be available in about two weeks. It will be a party based on "racism and constitutional government" and a party for the white man which will seek to obtain its objectives through peaceful and legal persuasion to the voters

Re: American Nazi Party

of the United States. Certain changes in the tax laws as well as repeal of the Fourteenth Amendment to the Consitution will be advocated.

Publications: The party will have official publications to "sell" its program. The nature of these publications will be further developed as time goes on but initially leaflets of various kinds will be utilized along with letters explaining the program, aims and purposes.

Printing: At the present time printing will be done commercially but it is contemplated that the party will later acquire a printing press and other material necessary to do its own printing.

Emblem: The emblem of the party will be a "W" in a circle so as not to infringe on any other emblems currently in use, such as that used by the Volkswagen Company. A lapel pin with the emblem and "The White Party of America" inscribed thereon will be issued.

Stationery and Membership Cards: The stationery will have the emblem embossed in the right upper corner; the post office number and address running down the right side in small letters; the name "The White Party of America" on the outside of a flap or fold down the left side in large letters; a list of the members of the council or board of directors and a list of sponsors down the inside of the fold. They will also have a numbered membership card issued to each member.

Membership Records: A record of members will be maintained on 5" x 7" index cards which will contain the name, address, telephone number, and type of activity the member will engage in for the party. Additional information on an application form will be obtained from the office workers and leaders.

Uniforms: A sketch of the proposed uniform show it to consist of blue trousers, white shirt, black boots and the emblem in blue on the outside of the upper arm. Members who participate in picketing and demonstrations will wear this uniform which they will purchase themselves.

Re: American Nazi Party

Finances: So far the only funds of the party have been given by the members participating in its formation and these funds are being kept by [redacted]. It is contemplated that additional funds will be received after a specific appeal is made since many individuals interested in "National Socialism" have, in the past, told various of the current party members that they would be willing to contribute to a party of this nature in the event they could "get rid of Rockwell."

Mailing List: The party now has a mailing list of about 1000 names which was made up from the names of individuals provided by the various party members.

He added that there will be no "secrets" among the members of the party and the party will be operated on a business-like basis with periodic reports to the membership. It will serve as a "Home for people who want to preserve the white race and cannot find a home for themselves in either of the two major political parties".

b6
b7C

There are still factions at ANP Headquarters and some of the current ANP members have indicated that they will want to affiliate themselves with The White Party of America when it is evident that it is a going concern. The new party will not accept either [redacted] or Matthias Koehl, but might consider taking [redacted].

MISCELLANEOUS

New Telephone Number at American Nazi Party Barracks

It is noted that on January 28, 1964, [redacted] a former ANP member, advised that the telephone at the ANP Barracks, 6150 Wilson Boulevard, Arlington, Virginia, was listed with the telephone company in the name of [redacted] which fact would make [redacted] responsible for the telephone bill. He said he had notified the telephone company to discontinue the telephone in his name.

Re: American Nazi Party

On January 31, 1964, George Lincoln Rockwell advised that his new telephone number at the Barracks was 532-9766.

On February 10, 1964, a source who has furnished reliable information in the past, informed that telephone number 532-9766 is located at 6150 Wilson Boulevard, Arlington, Virginia, and is listed in the name of [REDACTED] (Date of installation - January 29, 1964.)

Official Resignation of [REDACTED]

By letter dated February 14, 1964, [REDACTED] a former member of the ANP, advised as follows:

"This is to officially inform your office of the Federal Bureau of Investigation, Alexandria, Virginia, office, that as of January 1, 1964, I have ceased membership in the American Nazi Party. Furthermore I am now in no way connected or associated with George Lincoln Rockwell and his above-named organization."

b6
b7c

Rockwell's Activities

On February 17, 1964, a second source who has furnished reliable information in the past, advised that ANP Major [REDACTED] had provided the following on that date:

George Lincoln Rockwell left Arlington, Virginia, via Trans World Airlines on Sunday, February 16, 1964. He was due to speak at the University of Kansas, Kansas City, Missouri, on February 19, 1964, and at the University of Denver, Denver, Colorado, on February 20, 1964.

The date of his return to Arlington was unknown. While on this trip, he will possibly be in touch with "groups", the nature of which was unknown, in Amarillo, Texas, and Tulsa, Oklahoma.

A characterization of the ANP is attached hereto.

APPENDIX

-1-

AMERICAN NAZI PARTY OF THE WORLD UNION OF FREE ENTERPRISE NATIONAL SOCIALISTS, ALSO KNOWN AS THE GEORGE LINCOLN ROCKWELL PARTY

In his book "This Time the World", copyrighted in 1961, George Lincoln Rockwell identified himself as Commander, American Nazi Party of the World Union of Free Enterprise National Socialists (ANP - WUFENS), Arlington, Virginia.

The April 4, 1963 issue of "The Richmond News Leader", a Richmond, Virginia daily newspaper, reported that George Lincoln Rockwell had, on the previous day, again applied for the American Nazi Party to be chartered in the State of Virginia, but this request was turned down by the Virginia State Corporation Commission. This action was taken pursuant to an act of the 1962 Virginia Assembly which prohibits the use of "Nazi" or "National Socialism" in a Virginia charter. This article further pointed out that Rockwell's party is presently chartered in the State of Virginia as the George Lincoln Rockwell Party.

On August 19, 1963, a source advised that the ANP - WUFENS was organized by George Lincoln Rockwell at his residence in Arlington, Virginia, on February 26, 1959 as an international "National Socialist" movement based on the German Nazi Party headed by Adolf Hitler. He added that Rockwell is the dominant force and personality in this party; that he is espousing a "line" of hatred against the Jews and Negroes; and that he is seeking, through speeches, distribution of literature and picketing, to establish a cohesive and dominant political party in the United States and in foreign countries.

On December 13, 1963, this source advised that in about September, 1960, the ANP initiated the Fighting American Nationalists (FAN) as a front group for the ANP although it has never been a separate organization. The source said the FAN name is merely used on occasion instead of the ANP name and there are no separate officials for FAN, the FAN officials being identical with the ANP officials.

APPENDIX

-2-

AMERICAN NAZI PARTY
OF THE WORLD UNION OF
FREE ENTERPRISE NATIONAL
SOCIALISTS, ALSO KNOWN AS THE
GEORGE LINCOLN ROCKWELL PARTY

He stated that George Lincoln Rockwell has informed him the FAN name was originally used as a device to attract supporters to his organization who might rebel at the use of the swastika and at being labeled as a Nazi.

He added that the ANP has operated under the FAN name throughout the country with the exception of a group operating under the FAN name in Baltimore, Maryland. He said the FAN group in Baltimore is now, and always has been, a separate organization and not a part of the ANP.

On October 3, 1963, [REDACTED], the admitted former director of the FAN group in Baltimore, Maryland, advised that the Baltimore FAN, which was organized in the spring of 1961, has no official connection with the ANP although until December, 1962, it received all its literature from George Lincoln Rockwell's ANP.

b6
b7C

According to the "Stormtrooper's Manual", an official publication of the ANP, the phases of ANP struggle for power are fourfold, namely, first "to make ourselves known to the masses"; second, "the dissemination of our program and the truth about the Party"; third, "organizing the people who have been converted to our propaganda" and fourth, "the attainment of power through the votes of the newly-won masses".

[redacted] was interviewed at his request and he was advised that the interview was completely voluntary on his part. He stated that he became interested in GEORGE LINCOLN ROCKWELL's American Nazi Party (ANP) and National Socialism sometime prior to his writing ROCKWELL a letter on January 5, 1962. He had seen a copy of the "Police Gazette" and read about ROCKWELL. Subsequent to January 1962, he had received in February 1962, literature from ROCKWELL espousing the Nazi cause in the United States and had passed out this literature in his school in Upper Moreland, Pa., along with [redacted] and two unrecalled other 10th graders.

The Principal of the school, Mr. [redacted] heard about the literature being passed out, called the boys in and insisted they stop passing out this type of material in the school. [redacted] said he told the Principal that he, [redacted] was only engaging in anti-Communist and anti-Jewish activity as most Communists are Jews. He said that as a result of his Nazi views, he was threatened with being sent to Norristown State Hospital for mental examination by the Principal.

b6
b7C

He said that Commander ROCKWELL had instructed him to be completely open and show school authorities and the police department or any other authorities all the leaflets and publications he was passing out if he was asked to do so. ROCKWELL told him to do nothing illegal.

Lieutenant [redacted] of the Upper Moreland Township Police Department was called to the school by the Principal and [redacted] provided him with a copy of each piece of literature.

[redacted] said he returned to school the next day and was told by his friends that Federal officers were in the school. He said at this time he still had the Nazi literature and ROCKWELL's letters in his locker. He said that [redacted] were upset that the FBI was there and both wanted to be disassociated from the Nazi activity taking place in the school. They were both scared. He said that at the time he did not know if the FBI was there but that a year later Mr. [redacted] the Principal of the school, told him that the FBI had been there on that day.

The next day during an assembly, [] was called out and told that the police were going to take him to a mental hospital. Mr. [] had informed him of this and in conversation with Principal [] and Assistant Principal [] said that he defended his views to them as being a patriotic American and fighting Communism. He said the conversation wound up in his shouting accusations against them and screaming his defiance of their attempt to have him submit to a mental examination at Norristown State Hospital, Norristown, Pa.

He said that Lieutenant [] came to the school and [] took [] to his home. His mother was upset that he was involved with the police but did allow him to be taken to the hospital by Lieutenant []. [] claimed he was "railroaded" to the hospital by school and police authorities in an un-American manner without having the benefit of a hearing in court.

At the hospital he was examined by a Dr. [] whom he characterized as a Jew Communist. He said they had a long philosophical discussion regarding Communism, Americanism, and Nazism.

He said that his mother accompanied them to the hospital and she signed a release keeping him in the hospital for observation from that day, February 6, 1962, until February 27, 1962. After his conversation with Dr. [] he said that he broke away from Lieutenant [] and tried to escape but was prevented.

He said that during his time in the hospital he continued to attempt to recruit people to the Nazi ideology. He mentioned specifically that he became friendly after several days with []. He described [] as the man who was in the hospital for observation after being charged in Philadelphia with throwing a homemade bomb on the property of U. S. Representative WILLIAM J. GREEN, JR. of Philadelphia. He said both of them had been railroaded into the hospital without due process of law.

He said that he was released from the hospital on February 27, 1962, and that he would have broken out of the hospital that day if he had not been released. He stated that the Jews, in particular Dr. [] the Jew Communist, attempted to have his mother sign the necessary papers to keep him at the hospital under observation but this she refused to do.

He said that after he was released, and got home he telephoned ROCKWELL in Arlington, Va., to fill him in on what had transpired regarding his incarceration in the hospital. ROCKWELL was sympathetic to [] position and instructed him to provide the American Nazi headquarters in Arlington, Va., with a written report which [] did. The report consisted of ten handwritten pages. Shortly thereafter, [] received a letter from [] of ROCKWELL's staff in Virginia. [] indicated in the letter he would be in Willow Grove shortly to talk to [] and would contact school authorities in an attempt to aid [] in re-entering school if [] had not done anything illegal such as making bombs, painting swastikas on property, etc.

[] came to Willow Grove in April 1962 to [] house. He was accompanied by []. [] said that he refused to go to the Upper Moreland High School to engage in conversation with school authorities but that [] and [] did have a meeting with Principal [] Assistant Principal [] and teachers [] of the staff. This conference lasted for approximately two hours. According to what [] told [] and because the school authorities had a tape recorder on the table, [] said he and [] would answer only yes and no. As a result of this conference it was decided by the school authorities that [] would be allowed to return to school if he submitted himself to a psychiatric examination which satisfied school authorities that he was mentally stable. He insisted that he not go back to the Jew Communist, Dr. [], but that he be allowed to go to a psychiatrist of his own choice. He said that as a result he was examined by Dr. [] of the Willow Grove Hospital. He stated that the psychiatrist certified him back into school; however, in conversation he characterized [] as being fanatical in his adherence to Nazism.

He stated that he returned to school in the fall of 1962 and remained in school until March 1963.

[] stated that he had taken part in the following activities of the ANP, the Fighting American Nationalists (FAN) and the White Youth Corps (WYC) in regard to picketing:

1. On October 12, 1962, he passed out leaflets in the vicinity of the Adelphia Hotel, 12th and Chestnut Streets, during the appearance of GUS HALL, a Communist Party national officer. He stated also that for a short time after the five uniformed ANP members had been arrested by the Philadelphia Police Department at this site, he started to carry a sign protesting HALL's appearance in Philadelphia but was stopped by the police. He and his colleagues, however, did pass out literature of FAN. These colleagues were [redacted] of Philadelphia, ROY FRANKHOUSER of Reading, Pa., [redacted] and [redacted] both of Willow Grove, Pa. These people all believed in the precepts of the ANP and FAN was considered by ROCKWELL and his associates as a front organization adhering to the same principles as the ANP but not using the name Nazi or National Socialism in its name because the general public would be more likely to accept FAN than anything identified with Nazi and Hitler.

2. In November 1962, exact date unrecalled, [redacted] took part in a picket sponsored by FAN in Baltimore, Md., where President John F. Kennedy was making a speech at the Baltimore Armory on brotherhood. [redacted] were also present at this demonstration.

b6
b7C

3. In either October or November 1962, exact month unrecalled, he picketed the Communist Party meeting which was celebrating the 39th anniversary of "The Worker," a Communist newspaper, which was holding this meeting in the vicinity of 12th and Chestnut Streets, Philadelphia, Pa. This also was a demonstration under the auspices of FAN. Others in this picket were [redacted] of Philadelphia, and ROY FRANKHOUSER of Reading, Pa.

4. He said in May 1963, he demonstrated in front of the PSFS Building, 12th and Market Streets, Philadelphia, Pa., where the West German Consulate is located in protest against the continued incarceration of RUDOLF HESS. Also taking part in this demonstration were FRANKHOUSER and [redacted] This was on the instructions of Commander GEORGE LINCOLN ROCKWELL.

5. In December 1963, [] said that he again passed out literature and carried a picket sign protesting HESS' incarceration. This time he was alone and it was in front of the PSFS Building, 12th and Market Streets, Philadelphia, where the West German Consulate is located. He had done this on orders of ROCKWELL and was supposed to be accompanied by FRANKHOUSER, but FRANKHOUSER did not appear. FRANKHOUSER had arranged for the printing of the leaflets to be passed out and had sent them to []

[] said that from the time he received his first communication from ROCKWELL in 1962 until he resigned from all activity in the ANP, FAN and WYC, he had passed out probably 15,000 to 25,000 pieces of literature in furtherance of ROCKWELL's ideology. He said he passed these pamphlets out in the following communities in the surrounding area of Willow Grove, Pa.:

Jenkintown, Pa.
Hatboro, Pa.
Horsham, Pa.
Glenside, Pa.
Philadelphia, Pa.
Huntingdon Valley, Pa.
Bethayres, Pa.
Ambler, Pa.
Doylestown, Pa.

b6
b7C

He also said that he had become acquainted with [] [] Folcroft, Pa., who was the National States Rights Party (NSRP) leader in the area. During the rioting in Folcroft when the Negro Baker family moved into the area he passed out ROCKWELL's literature in this area.

He stated that all of the literature he distributed had been done by hand in the form of passing out from hand to hand, stuffing in mail boxes, dropping on front porches or placing under the windshield wipers of automobiles. He stated that anytime he passed out literature it was always rubber stamped or with a written identification on it with either Post Office Box 342, Philadelphia 7, Pa., 209 Davisville Road, Willow Grove, Pa., or Sinclair Service Station, 147 North York Road, Willow Grove, Pa. He said he never did use his home address of [] [] Willow Grove, Pa.

In January 1962, until October 1962, [] said that he worked out of the Sinclair Station on York Road in Willow Grove which was operated by [] who resided in North Hills. He said that [] neither agreed nor disagreed with the Nazi ideology propounded to him by [] and others but simply allowed them to hang around and meet at the station. He also allowed them to use the station for a mail address charging them five cents for each letter received and ten to twenty-five cents depending on the size for each package received.

[] said that in October and November 1962, [] arranged the renting of a small building at 209 Davisville Road, Willow Grove, Pa., for Nazi activity. He stated also that this was the time that the group began identifying itself with FAN. He said that [] was arrested November 10, 1962, by the police for a fight that he took part in at Mario's Luncheonette and Pizzi Shop. As a result of this altercation, [] severed all relationships with [] and Nazi activity after he was allegedly told by the police to stay away from [].

b6
b7C

After [] no longer took part in activity, [] operated in Willow Grove by himself and had all the literature, supplies and material at his home, 11 Forrest Avenue.

He stated that he became a member of the WYC in February 1962 and worked for this organization until January 1964, when he quit. He stated that the following dates were pertinent in his WYC activity:

February 1962 to May 1962 - only member in Willow Grove

May 1962 to July 1963 - Pennsylvania State Commander of WYC

July 1963 to January 1964 - National Commander of WYC

January 1964 - resigned completely from WYC

He said that when he resigned as National Commander of the WYC he appointed [] Uniontown, Pa., and [] in turn has appointed [] Salt Lake City, Utah, as Deputy Commander of the WYC. [] also provided one full length and one head shot of []

[] said that the WYC is not officially or openly connected with the ANP but is a front group for youth for the ANP similar to FAN. He said the organization was founded October 1961, in Chicago, Ill., by [] 2124 North Damon Street, Chicago 47, Ill. This is the address of the Chicago headquarters of the ANP. He stated that Commander ROCKWELL is in complete sympathy with the aims and purposes, intents, and activities of the WYC; however, he has no organized authority in the group. [] said, however, that the group does practically whatever ROCKWELL wants them to do. They are the below 18 year old adherents to ROCKWELL's Nazi philosophy. He said that ROCKWELL has backed the organization financially to the extent of furnishing leaflets for distribution, some postage, and office supplies such as stamps, etc.

No one in the WYC receives any kind of a salary or even expenses as far as [] knew.

He said that there was no other WYC member or activity in the Philadelphia area other than he himself and his activity consisted of passing out literature during the nearly two year period and that during this time he worked both as a WYC member and FAN member. Both have the same goals in mind and he worked intermittently for both organizations but primarily as a WYC member. b6 b7C

Over the time that [] has been in Nazi party work he estimates he has contributed approximately \$150 to ROCKWELL in Virginia and spent \$800 on postage, telephone calls, travel, literature, stationery, office supplies, etc., in promoting the cause of ANP, WYC, and FAN.

He stated that he has received contributions of approximately \$100 to \$150 for the WYC from the following individuals:

<u>Name and Address</u>	<u>Approximate Contribution</u>
[] Gardendale Ala.	\$10.00
[] Gardendale, Ala.	5.00
[] Uniontown, Pa.	40.00

<u>Name and Address</u>	<u>Approximate Contribution</u>
[redacted] Salt Lake City, Utah	\$10.00
[redacted] Uniontown, Pa.	15.00
[redacted] Folcroft, Pa.	5.00

These contributions were all from WYC adherents for WYC activity.

[redacted] said he was a member of FAN from March to November 1962 and had been issued a membership card. He said the headquarters for FAN were in the Albee Building, Washington, D. C., and [redacted] FERRIS was the national chairman of FAN. It was used, as stated previously, as a front for ANP activity so that "Nazi" did not scare off people.

b6
b7c

[redacted] said he decided to sever all relations with ROCKWELL and his organizations because he attempted in the summer of 1963 to get into the U. S. Air Force and was denied acceptance because of his admitted ROCKWELL activity. He also said that he had lost two jobs for trying to convert co-workers and employers to accept the Nazi ideology. He said he has unequivocally left the ANP and its activities as of January 1964.

He said that in letting Commander ROCKWELL know he was ceasing any party activity, that he was also authorized by ROCKWELL to contact the FBI to advise them of his background and activity in party matters.

[redacted] declined to furnish information as to whether or not he continues to be sympathetic to ROCKWELL's and Hitler's philosophy but his conversation consists of terms "race mixing," "comsyp," "Jew-Communist," "Zionist," etc.

[redacted] advised that the following individuals are adherents or sympathizers of ROCKWELL's and Hitler's philosophy. They reside in the Philadelphia area.

[redacted]

He said that [redacted] has been sympathetic and has contributed to ROCKWELL's cause since 1960 as far as he knows. He said [redacted] had visited ROCKWELL in Virginia. He also advised that [redacted] is extremely secretive and will not even give [redacted] his home address or employment. He thinks that his telephone is tapped and criticized [redacted] severely one time when [redacted] on the telephone mentioned something specific as to Nazi activity. He said [redacted] telephone number is [redacted] and is unlisted.

[redacted] said the only thing he knows about [redacted] is that he is extremely dedicated to Nazi ideology even though he takes part in little open activity. [redacted] said he estimated [redacted] to be approximately 35 years old and having had military service in 1945 and also the Korean War.

[redacted] tells [redacted] of an organization called the National Elite Guard which [redacted] started in 1961. This organization is similar to the "Minutemen" in concept. It is based on Nazi-Fascist ideology and like the Minutemen envisions eventual invasion of the United States by the USSR, at which time [redacted] and his National Elite Guard will have sufficient guns, ammunition, bombs and the like to repel the invaders on the streets of United States cities.

b6
b7C

[redacted] claims to have members of his organization in Philadelphia and also to have guns, .30 caliber rifles, and ammunition; however, he is so secretive that he has not told [redacted] how many members or who they are. [redacted] speaks of "we" in talking about the National Elite Guard, but [redacted] could furnish no specifics as to who the "we" might be.

[redacted]

[redacted] stated [redacted] resides on [redacted] Philadelphia, and has a telephone number beginning with [redacted] or [redacted]. He is a strong sympathizer with ROCKWELL and has made contributions to the ANP. [redacted] on one occasion saw [redacted] give a \$100 money order made out to the party to [redacted] to send. [redacted] said [redacted] was a house painter along with his brother and they have their own small business. He described him as white, male, American, 6' 2", 220 pounds, blond hair, approximately 45 years old, who has probably been in the Armed Services.

[redacted]

[redacted] said [redacted] resides [redacted] Folcroft, Pa., and is the NSRP leader in that area. [redacted] said he became acquainted with [redacted] during the Folcroft riots in the fall of 1963 when the Negro Baker family moved into Folcroft. [redacted] was in Folcroft to pass out FAN and WYC literature and became acquainted with [redacted]. It was his understanding that [redacted] had attended ANP meetings in Virginia and that though he is a NSRP member and that the ANP and NSRP do not cooperate, [redacted] is in sympathy with ANP aims. He said also that he believes that [redacted] and [redacted] know one another; however, he had no idea as to their closeness of relationship. He said he himself has not seen or heard anything of [redacted] since the Folcroft riots.

[redacted]

[redacted] said that [redacted] now resides in Washington, D. C., and has been since the summer of 1963 at ANP headquarters in Arlington, Va., with ROCKWELL. He said she formerly resided in Northeast Philadelphia. He stated that he had passed out leaflets with her when she was operating in Philadelphia as a FAN representative and servicing Post Office Box 342, Philadelphia 7, Pa., through which much of the party's literature and correspondence was handled. He stated, however, that recently [redacted] became disillusioned with ROCKWELL and the ANP and is now in Washington, D. C., having resigned from the party. He said that since [redacted] has left the Philadelphia area that the FAN Post Office Box 342, Philadelphia 7, Pa., is now subscribed to and handled by [redacted]. He said that also sometime prior to [redacted] leaving for Washington, D. C., in the summer of 1963, that after she left her home in early 1963 she resided with [redacted] and his wife someplace in Philadelphia.

b6
b7C

[redacted] stated he had never heard of the names [redacted]
[redacted]

[redacted] said that he had no information regarding the NSRP or any other right oriented groups in the Philadelphia area.

The following description was obtained of [redacted]
[redacted], also known as [redacted] from interview and observation:

[redacted] said he had been turned down for acceptance by the Armed Services of the United States and he was advised by the interviewing Agents that since by his own statements he had been denied entry into the United States Armed Services because of his ANP and related activities, even though he voluntarily at his own request was interviewed by the FBI, this was in no way, shape or form any guaranty that he would now be accepted into the service of the U. S. Government.

APPENDIXCharacterization of OrganizationsAMERICAN NAZI PARTY OF THE WORLD UNION
OF FREE ENTERPRISE NATIONAL SOCIALISTS,
aka. THE GEORGE LINCOLN ROCKWELL PARTY

In his book "This Time The World," copyrighted in 1961, George Lincoln Rockwell identified himself as Commander, American Nazi Party of the World Union of Free Enterprise National Socialists (ANP-WUFENS), Arlington, Virginia.

The April 4, 1963 issue of "The Richmond News Leaders," a Richmond, Virginia daily newspaper, reported that George Lincoln Rockwell had, on the previous day, again applied for the American Nazi Party to be chartered in the State of Virginia, but this request was turned down by the Virginia State Corporation Commission. This action was taken pursuant to an act of the 1962 Virginia Assembly which prohibits the use of "Nazi" or "National Socialism" in a Virginia charter. This article further pointed out that Rockwell's party is presently chartered in the State of Virginia as the George Lincoln Rockwell Party.

On August 19, 1963 a source advised that the ANP-WUFENS was organized by George Lincoln Rockwell at his residence in Arlington, Virginia, on February 26, 1959 as an international "National Socialist" movement based on the German Nazi Party headed by Adolf Hitler. He added that Rockwell is the dominant force and personality in this party; that he is espousing a "line" of hatred against the Jews and Negroes; and that he is seeking, through speeches, distribution of literature and picketing, to establish a cohesive and dominant political party in the United States and in foreign countries.

On December 31, 1963 this source advised that in about September 1960, the ANP initiated the Fighting American Nationalists (FAN) as a front group for the ANP, although it has never been a separate organization. He said the FAN name is merely used on occasion instead of the ANP name and there are no separate officials for FAN, the FAN officials being identical with the ANP officials. He stated that George Lincoln Rockwell has informed him the FAN name was originally used as a device to attract supporters to his organization who might rebel at the use of the Swastika and at being labeled as a Nazi.

He added that the ANP has operated under the FAN name throughout the country with the exception of a group operating under the FAN name in Baltimore, Maryland. He said the FAN group in Baltimore is now, and always has been, a separate organization and not a part of the ANP.

On October 3, 1963 [redacted] the admitted former director of the FAN group in Baltimore, Maryland, advised that the Baltimore FAN, which was organized in the Spring of 1961, has no official connection with the ANP, although until December 1962, it received all its literature from George Lincoln Rockwell's ANP.

b6
b7C

According to the "Stormtrooper's Manual," an official publication of the ANP, the phases of ANP struggle for power are fourfold, namely, first "to make ourselves known to the masses"; second, "the dissemination of our program and the truth about the Party"; third, "organizing the people who have been converted to our propaganda"; and fourth, "that attainment of power through the votes of the newly-won masses."

Re Chicago letter to the Bureau dated 4/3/63 and
Chicago letter to Director dated 1/17/64 enclosing letterhead
memorandum and captioned "WHITE YOUTH CORPS, RM".

Submitted herewith for the approval of the
Bureau is a revised characterization of the White Youth
Corps, Chicago, Illinois.

**WHITE YOUTH CORPS
CHICAGO, ILLINOIS**

A confidential source advised on
November 30, 1961, that one [redacted] an associate
of the American Nazi Party (ANP) in the Chicago,
Illinois area, had started a new program to be
known as the White Youth Corps (WYC).

b6
b7C

On May 22, 1962, MATTHIAS KOEHL, JR.,
then a Lieutenant in the ANP and second in
command of the Chicago Branch of that organization,
advised that the WYC did not exist as an organization
per se but rather was a level of affiliation with
the ANP specifically for the young element unable
to actually be accepted into membership because of
their age. The WYC, KOEHL stated, was no longer in
existence.

On January 4, 1963, a second confidential
source advised that the WYC was then being reorganized.
The organization reportedly will not be considered

a part of the ANP, although they propose to utilize office space in ANP headquarters and they will receive legal advice from the ANP. Membership in the new WYC will be confined to individuals 14 to 18 years of age.

On February 13, 1963, the second confidential source mentioned advised that nothing has developed to indicate an extension of membership or activities of the WYC. Source stated that it appears that despite denunciations of GEORGE LINCOLN ROCKWELL, National Commander, ANP, regarding the association of this organization and the ANP, the WYC is nevertheless affiliated with that organization.

The first confidential source advised on January 14, 1964, that the White Youth Corps no longer exists in the Chicago, Illinois area. All operations conducted by the ANP in Chicago are carried on under that organization's name only. At one time or another in past months teenage individuals have proclaimed themselves as "leader" of the White Youth Corps although no organization as such actually existed.

On January 14, 1964, the third confidential source advised that the White Youth Corps is no longer in existence in Chicago. No information has developed, to source's knowledge, to indicate the possible re-organization of this organization at this time or in the future. Source stated that apparently the White Youth Corps was more an idea "on paper" than anything else.

The sources used to characterize the WYC, Chicago, Illinois, are:

**AMERICAN NAZI PARTY
RACIAL MATTERS**

Re New York airtel dated 5/25/64 captioned as above and New York airtel dated 6/22/64 captioned "WHITE YOUTH CORPS: RACIAL MATTERS", both airtels enclosing letterhead memoranda.

Attached hereto is a current revised characterization of the White Youth Corps, Chicago, Illinois, as approved by the Bureau on June 12, 1964.

As noted therein, the White Youth Corps did not in fact exist as an organization per se but was considered rather a "level of affiliation" within the structure of the American Nazi Party at Chicago. All operations of this unit were subsequently combined with those of the American Nazi Party and were carried on under that name only. The White Youth Corps was determined to no longer exist in any way in Chicago and no information has developed to indicate the possible reorganization of this group.

[redacted] who had furnished reliable information in the past, advised that no information is available to him to indicate reinterest in the White Youth Corps in the Chicago area. In addition, source advised no information whatsoever is known regarding any existing or proposed activity of the White Youth Corps in the New York City area. b7D

Substantially the same information was received on August 10, 1964, from [redacted] both of whom have furnished reliable information in the past and both of whom furnished this information to SA ROBERT J. DOLAN. b7D

**WHITE YOUTH CORPS
CHICAGO, ILLINOIS**

A confidential source advised on November 30, 1961, that one [redacted] an associate of the American Nazi Party (ANP) in the Chicago, Illinois, area, had started a new program to be known as the White Youth Corps (WYC).

b6
b7C

On May 22, 1962, MATTHIAS KOEHL, Jr., then a Lieutenant in the ANP and second in command of the Chicago Branch of that organization, advised that the WYC did not exist as an organization per se, but rather was a level of affiliation with the ANP specifically for the young element unable to actually be accepted into membership because of their age. The WYC, KOEHL stated, was no longer in existence.

The first confidential source advised on January 14, 1964, that the White Youth Corps no longer exists in the Chicago, Illinois, area. All operations conducted by the ANP in Chicago are carried on under that organization's name only. At one time or another in past months, teenage individuals have proclaimed themselves as "leader" of the White Youth Corps, although no organization as such actually existed.

On January 14, 1964, a second confidential source advised that the White Youth Corps is no longer in existence in Chicago. No information has developed, to source's knowledge, to indicate the possible re-organization of this organization at this time or in the future. Source stated that apparently the White Youth Corps was more an idea "on paper" than anything else.

The sources used to characterize the WYC, Chicago, Illinois, are:

RACIAL MATTERS
(OO: Philadelphia)

ReNYlet to Bureau 8/22/04, and Chicago letter to
New York 8/12/04, enclosing revised characterization of the
WHITE YOUTH CORPS (WYC).

According to this characterization, the WYC did not
in fact exist as an organization by itself but was considered
rather a "level of affiliation" within the structure of the
American Nazi Party at Chicago. All operations of this unit
were subsequently combined with those of the American Nazi
Party, and were carried on under that name only.

Referenced Chicago letter of August 12, 1904,
further revealed that no information whatever is known
regarding any existing or proposed activity of the WYC in
the New York City area. No information has been developed
at NYO to reflect that the WYC exists in the New York
area. The following confidential sources and informants,
contacted during August, 1904, who furnished information
concerning racial activities in the New York area, had no
information to furnish concerning the WYC:

COINTELPRO

Re Bureau letter to SAC, Atlanta 9/2/64.

Referenced communication advises the following hate organizations operating within the Chicago Division as included in this program:

American Nazi Party (Origin: Richmond)

White Youth Corps (Origin: Chicago)

Regarding the White Youth Corps it is noted confidential informants of this division have advised that the White Youth Corps in Chicago did not, in fact, exist as a organization per se but was considered rather a "level of affiliation" within the structure of the American Nazi Party at Chicago, Illinois. All operations of this unit were subsequently combined with those of the American Nazi Party and were carried on under that name only. The White Youth Corps was determined to no longer exist in any way in Chicago and no information has developed to indicate the possible reorganization of this group.

On October 12, 1964, confidential informants [redacted] all of whom have furnished reliable information in the past, advised that the White Youth Corps no longer exists in any capacity in Chicago. To sources' knowledge the White Youth Corps does not operate as an organization in any other locale known to them. These sources further advised that as of this date no information is available to indicate possible interest in reorganizing the White Youth Corps.

CG 157-382

In view of the above, Chicago contemplates no further inquiry regarding the White Youth Corps itself and in that the White Youth Corps is no longer in existence, it will not be considered in connection with this program.

Regarding Chicago's proposed plan to expose, disrupt and otherwise neutralize the American Nazi Party in Chicago, Illinois, the following is submitted for the Bureau's consideration:

I. Proposal -- To Increase Financial Burden
of the American Nazi Party

Brief Resume of Current
Economic Problems

The principal weakness in the Chicago unit of the American Nazi Party exists in their lack of funds to operate. This fact alone has forestalled all the participation of the Chicago organization in public demonstrations and other activities in that sufficient monies are not available to provide necessary bonds and/or fines should members be arrested during the course of such activity.

Further, the Chicago American Nazi Party has recently purchased a building which they utilize as a headquarters. The building is old and in dire need of repair. Mortgage payments and maintenance alone absorb the bulk of all funds which the Chicago unit collects.

Proposed Plan of Approach

In that it is the desire of the local American Nazi Party to "hold onto" their headquarters building at all costs, it is apparent that the first line of approach to increase the organization's financial burden is to direct our efforts at the headquarters building itself.

Discreet inquiry and observation has shown the building has numerous building code violations, some of

CG 157-382

which make the building mainly uninhabitable until such violations are rectified such as electrical wiring and plumbing. It is recognized that building code authorities will allow such deficiencies to exist for a reasonable period of time and during such time habitation on the premises is permitted. Violations such as those mentioned are known to be costly to eliminate and are of the type that cannot or should not be "do-it-yourself" projects since repairs made are subject to inspection by building authorities.

In that the American Nazi Party has in the past and still levels its attacks at persons of the Jewish faith, Chicago Jewish organizations are most desirable of accumulating information which can serve to initiate an attack by these organizations against the American Nazi Party. Prominent among such organizations are the Jewish War Veterans and the Anti Defamation League B'nai B'rith.

The Chicago Division, either by direct approach to established sources in these organizations, or through use of suitable pretext, can make available to appropriate officials information establishing the fact that such building code violations do exist. There is no doubt that should such information become available to proper individuals within these organizations, great pressure will be brought to bear to insist that these building code violations are corrected and the possibility strongly exists that court action may follow and fines may be levied.

As an alternative, a direct approach can be made to established contacts within the city government to bring such building code violations to the attention of appropriate authorities.

Anticipated Results

A penetrating analysis of the present economic situation of the American Nazi Party strongly indicates

CG 157-382

that by firmly increasing the financial burden of this group the following results are certain:

1. American Nazi Party public activity will be held to the barest minimum due to fear of possible arrest resulting in further economic hardship.
2. Funds will not be available to bring about necessary repairs on the headquarters building
3. Funds for the printing and distribution of literature locally for recruiting purposes would not be available
4. Morale of the organization in Chicago, which is now at low ebb would be further lessened thus creating feelings of dissatisfaction among the membership
5. As a direct result of items above the attractiveness of the American Nazi Party to possible recruits would be held at a minimum

II. Proposal -- Divide Loyalty of Membership
Against Present Leaders

Brief Resume of Leadership
Problems

At the present time the Chicago American Nazi Party has no established leaders. One of the members, [redacted] was appointed by GEORGE LINCOLN ROCKWELL, the group's national commander, however, [redacted] has failed to undertake the responsibilities of leadership and as a result certain dissatisfaction exists among members.

b6
b7C

As a result of [redacted] failure current activities of the organization are being directed by [redacted] [redacted] who is operating without authority of the national headquarters.

CG 157-382

Because of the inactivity and the failure of the Chicago organization to demonstrate progress the so-called "hard core" of the membership have raised numerous questions in the recent past challenging the adequacy and capability of [] to head their organization in Chicago. b6 b7C

Proposed Plan of Approach

It is anticipated that through established sources all of whom are current members of the American Nazi Party in Chicago, feelings of discontent can be initiated. Further, communications which would indicate a thorough and substantial knowledge of the Chicago organization could be directed at the National Commander GEORGE LINCOLN ROCKWELL either anonymously or under the signature of a likely member who is known to be in disagreement with local leadership and practices.

Anticipated Results

By concentrating the efforts of this program in a firm but carefully concealed manner it is strongly believed that the following results will be obtained:

1. Loyalties of the membership will be divided and dissonance will be created
2. The national headquarters of the American Nazi Party will have sufficient reason to question the adequacy and capabilities of local leadership
3. Through established sources programs proposed by those in leadership capacities can be sabotaged whereby the confidence of both the national headquarters and the local membership will be shattered

It is recognized that the Bureau considers it vital that the functions and membership of these organizations be brought into the "public spotlight". Chicago does not deem

CG 157-382

such an approach appropriate at this time due to the small membership which at this time consists of three established informants of long standing. Activity to bring public pressure to bear at this particular time could jeopardize the position of the three informants who furnish valuable information to this Bureau concerning the membership and activities of the American Nazi Party at Chicago.

It is requested that the Bureau consider the above detailed approaches in connection with this program and authorize their institution in Chicago.

He advised that the WYC in New York City was defunct as of July, 1964 and he has no plans of reactivating this group.

He advised that the WYC was a spontaneous reaction by himself and a group of teenagers from Astoria, Queens, New York, to the many civil rights demonstrations held in New York City during the first half of 1964. It was the feeling of his group that while Negroes were demanding their Civil Rights, they, (the Negroes) were trampling on the rights of many white citizens. He was particularly incensed against Negroes, because in his opinion they had ruined the public housing project where he and his mother reside.

He advised that the WYC in New York City never consisted of more than five or six teenagers. He furnished the names of other members who had picketed with him as:
